Olympic torch will pass through Lyme

'GREAT OPPORTUNITY FOR TOWN' SAYS MAYOR

THE news that Lyme Regis will be one of 1,018 towns through which the Olympic torch will pass has been greeted with great excitement in the town.

The golden torch will be

carried through Lyme on July 12th - the 55th day of its journey around the United Kingdom prior to the opening of the 2012 London Olympic Games on July 27th.

It is not known yet what time the torch will pass through Lyme or who will be carrying it, although RNLI crew member Ritchie Durrant, one of the youngest in the country, has been nominated.

The news was received with great delight by the Mayor of Lyme Regis, Councillor Sally Holman.

She told the *View from Lyme Regis*: "Lyme has a strong sporting tradition. I'm sure there will be a huge turnout to applaud the torchbearers.

"It's fantastic to be one of the 1,018 places chosen.

MAYOR Sally Holman - great boost for the town

boost for the town, a great opportunity to show enthusiasm for the Olympics. We're looking forward to welcoming the Olympic torch on July 12th."

Councillor Holman said she had already started discussions with council officials and interested parties about how best the town could celebrate the Olympic torch passing through Lyme.

"I hope this will provide us with the opportunity of bringing together the sports organisations of Lyme to demonstrate just how strong and diverse our sporting community is."

Councillor Lorna Jenkin, chairman of the town council's Tourism and Advertising Sub-committee, also welcomed the news.

She said: "Lyme Regis is

PORLAND author Carol Hunt is currently working on her fourth book in her series of stories set on the island.

Carol lives in Easton on Portland with her three teenage children. She studied English Literature and History at the University of Chichester and has worked in publishing and as an adviser to young people.

She has written three books in her *Portland Chronicles* series - *The Portland Sea Dragon*, *Enchantment of the Black Dog* and *Portland Pirates* - published by Roving Press and is currently writing her fourth - *The Portland Giant*.

When not writing, Carol enjoys spending time with her children, driving them to Majorettes, ballet, and various rock concerts.

the first Narnia book. I identify with the children as they explore Narnia. Lucy is very sensible and Edmund betrays his family for Turkish Delight. I am fascinated by the White Witch and think she is a bit misunderstood. It's ok to want to live in a permanent winter, with ice, snow and beavers, and turn people you don't like into stone.

■ WHAT would be your dream job?

I'd like a sleigh, a fur coat, a lot of Turkish Delight and sole charge of Narnia.

■ WHO would be your three dream guests at a dinner party and why?

Sam Vimes, Commander of the City Watch in Terry Pratchett's *The Fifth Elephant*, who is extremely surly and attractive. Lula, a former 'ho' from Janet Evanovich's *Seven Up*, who tests the limits of lyrca in stretchy animal print dresses. And Nigella Lawson, who would make a mess in the kitchen. I would expect a big row at some point.

■ WHAT was the last book you read?

I read Keith Richards autobiography *Life*. It's fantastic, like having Keith pop round for a Rock 'n' Roll party without having to go to the supermarket for a crate of whiskey. Or apologise to the neighbours the next morning.

■ WHAT do you like most about West Dorset?

I enjoy living close to the sea and I like the people of West Dorset. The Isle of Portland continues to fascinate me with its windswept cliffs, pirate graves at Church Ope and lighthouse. I am always finding out new things about Portland.

■ WHAT inspired you to start writing?

My children. I didn't have to look far for inspiration to start writing about annoying and unreasonable characters. I am also fascinated by local folklore; the Veasta or Chesil Beach Sea Monster, the Mermaid found at Church Ope and the weird legend of the phantom Black Dog at Cave Hole, Portland Bill.

■ WHAT top three tips would you give to an amateur writer?

Write about who and what you know, ask for feedback from your readers, don't be afraid to take risks. My stories combine research into 17th century history with contemporary children, surf dudes who are obsessed with the weather, and Gregor a badly behaved collie. When I ask children who they like best, they almost always say Gregor or Ryder, the super-cool surfer.

■ WHO is your favourite author and why?

I admire the author Terry Pratchett who writes about the Discworld and the city of Ankh-Morpork. His

characters include Rincewind, a hopeless wizard and Death, the hooded Grim Reaper who tries so hard to understand people. Tiffany from *A Hat Full of Sky* is one of my favourite characters as she is brave and resourceful.

■ WHAT is your all time favourite book and why?

The Lion, the Witch and the Wardrobe by CS Lewis,

Doctor evicted from Medical Centre

DOCTOR Ian Conway was evicted from Lyme Regis Medical Centre on Friday.

The following statement was posted on the Lyme Practice website: "Dr Ian Conway will be evicted from the Lyme Regis Medical Centre and as a consequence the PCT has withdrawn his contract to provide medical services to the communities of Lyme Regis and Charmouth.

"He would like to sincerely thank all his patients and staff who have shown unprecedented loyalty and support."

It brings to a close years of wrangling between Dr Conway and former Lyme Regis GPs, Dr Andrew

Llewelyn and Dr Lindsay Slater, and follows a High Court Action over the ownership of the building brought against them by Dr Conway and Mrs Alison Robinson, the practice manager at the centre and the wife of the late Dr Barry Robinson.

The High Court judge vested the ownership of the centre in the names of Dr Llewelyn and Dr Slater, who practised at the centre until 1999.

Drs Llewelyn and Slater were awarded significant indemnity costs and consequential damages by the High Court, thought to run

into excess of six figures. Following the eviction, NHS Dorset has entered into a temporary arrangement with Dr Forbes Watson, of the Lyme Bay Medical Practice, to take over the running of the medical centre with immediate effect.

Contract terminated

Dr Conway's patients staged a campaign to keep him at the centre, including a petition to NHS Dorset signed by over 1,600 patients.

The following statement was issued by NHS Dorset on Monday morning: "Dr Conway was given notice to leave Lyme Regis Medical Centre by November 4th 2011 by the owners of the premises.

"As a result of this, NHS Dorset has had to terminate his contract as he no longer had suitable premises from which to provide medical services.

"NHS Dorset has let a temporary contract to Dr Watson while a longer term arrangement is

sought. Please note that the two practices at Lyme Regis Medical Centre and Lyme Bay Surgery will remain separate and the Charmouth Surgery, which also provides services to people in Lyme, is unaffected.

"All the doctors who were working for Dr Conway have been transferred to Dr Watson's temporary contract and will remain at the practice, as will all other staff members who have chosen to do so.

"The community services that were provided by Dr Conway's practice will also remain the same.

"Patients should see no change in the way that they access and receive services. They can continue to book appointments as usual on the same telephone number 01297 445777.

"Please be assured that we are working closely with Dr Watson to ensure minimal disruption as a result of this change.

"Updates on the tendering process for the permanent contract will be available on the PCT web-

site
www.dorset.nhs.uk/news/lymeregis.htm and via the Medical Centre."

Mrs Hazel Read, one of the leading campaigners to keep Dr Conway at the Medical Centre, said she and other patients were "devastated" that Lyme had lost "a wonderful doctor".

She said: "I think everybody is well aware of the circumstances surrounding this case and will not forget. I have read the whole of the court case in the last few days and was astonished to read in the Judge's summing up, a statement saying:

"It was made plain on behalf of Drs Llewelyn and Slater that they had no intention whatsoever to evict Dr Conway". Really, so why did it happen then?

"The PCT has now put in place a contingency plan and Dr Watson will be overseeing the Medical Centre for a short period, after which the community will be consulted on the

awarding of a permanent contract. It is then that I, and all the other patients, should remember the doctors who worked with Dr Conway, and who are still practicing at the Medical Centre. Perhaps they could put in a tender for the permanent contract. That would be a very popular choice and it would be our choice. Has justice been done? I think not.

"Dr Conway you will be missed, after devoting 34 years of your life to caring for others. You deserve much better than this."

Fifteen per cent of the medical centre is owned by the League of Friends whose chairman, Mrs Shirley Williams, said: "We are pleased the ownership issue has been resolved and that jobs at the medical centre are safe.

"Hopefully any bitterness can be put aside after this long dispute and that the medical centre will continue to offer such a good service."

Excitement over Olympic torch coming to Lyme

to be part of the prelude to the greatest show on earth. It is an opportunity that will only come once and everyone should enjoy the day, celebrate the huge honour and use it as an opportunity to promote the town."

Howard Larcombe, chairman of Lyme Regis Football Club, one of the town's oldest sporting organisations, described the news as "wonderful for Lyme".

He said: "I certainly hope the Football Club will be involved in any celebrations. This is a once-in-a-lifetime opportunity."

Marcus Dixon, chief executive of Lyme Regis Development Trust and chairman of the Gig Club, said: "The visit of the Olympic torchbearer to Lyme Regis is a wonderful link for the town's sporting organisations with the spirit of Olympic Games, which is about excellence in all that we do and what we represent, friendship, respect, determination and having the courage to face challenges."

"It's great that Lyme Regis is part of these international celebrations and July 12th 2012 will be part of what is looking to be an especially remarkable year for the town."

Richard Horobin, press officer for the Lyme RNLI, said he nominated 19 year-old Ritchie Durant for his work for charity and sporting achievement but they would not know whether he had been chosen to carry the torch until December 11th.

Another young Lyme Regis crew member, 21 year-old John Gage, has been selected as an RNLI crew member for the sailing Olympics in Weymouth.

■ KEEN TO RETURN: Jamie Gatley (right) and Rob Smyth (left) from Red Bull with Lyme Regis lifeboat helmsman James Rice (centre) who was presented with a framed photograph of the Harbour Reach

THERE'S a strong possibility that one of the highlights of this year's Lyme Regis Lifeboat week – the Red Bull Harbour Reach – will be returning next year.

The spectacular event, in which participants skinned across the water in the harbour using an overhead cable and leapt over the North Wall, attracted thousands to its Lyme Regis debut in July.

This week two representatives of Red Bull visited Lyme Regis and met Harbourmaster Grahame Forshaw to present a framed photograph of the event and to discuss hopes for a repeat next year.

Mr Forshaw said: "They seemed very keen to come back and I am sure we would welcome them."

Rob Michael, chairman of the RNLI Guild, which plans Lifeboat Week, said: "I am sure we would be delighted to see them again. Many people found their display very exciting."

Red Bull donated £3,000 to the RNLI following the event's success.

'Fundamental issues' raised over county council development

THE KPMG External Auditors' report on the Dorset County Council Library element of the Charles Street development in Dorchester reflected what we all know, by rebuking DCC on the most fundamental of issues – firstly, by DCC failing to examine alternative sites that could offer better value for money; and secondly, for DCC not carrying out a proper assessment of the needs of the library service across Dorset before committing £5 million for a new building in Dorchester.

DCC's cabinet members will each know that an independent investigation has countered their various previous assertions on procedure. It's official, and it's there to be seen.

There's now a discernible wave of anger in Dorset and particularly West Dorset about how decisions are taken in councils. No-one should give up on expressing their views and pushing for a more democratic world – even by just discussing it: indeed world events this year have shown how in the end lids do come off.

Council will do the town a service if they 'clean up' Lyme Regis

I NOTE with interest, satisfaction and a sense of relief a story in the local press, reporting the intention by members of the comparatively new town council to tackle the ever-present dog fouling in the resort.

This issue has been a constant source of comment and debate in the local press and in the council chamber for several years. Indeed, I have put pen to paper on numerous occasions and have received a lot of verbal support.

But this has proved to be little more than convenient lip service, and it is, therefore, encouraging to read that councillors at last have announced that they mean business in pressing for positive measures.

Let us hope that they see this through in the knowledge that actions really do speak louder than words.

Farmers' markets should be in Holmbush

OUR enterprising town council took a step in the right direction this autumn by initiating a farmers' market in the new shelters on Marine Parade and hopes to run more next year.

While it is excellent news that the council wants to introduce a market to what must be the only town for miles around that doesn't have one, the choice of site strikes me as less than ideal. To have it on Marine Parade makes it more a tourist attraction than a facility for the people of Lyme and its hinterlands and

Moreover, there is immediate good news. The Report of the West Dorset Management Committee of December 15th 2009 (viewable on WDDC's website) states of the Library in section 5.3: "Should DCC decide not to proceed we are confident that the building can be easily modified to a different use."

Here is a chance for those rebuked to stand up and save £5 million of taxpayers' money, saving unnecessary expenditure. The project should be rolled back or mothballed. Whether or not it is, the electorate will never forget, thanks to this report, the objective conclusions on this project. Democracy was painfully fought for by this country – it must be nurtured. We must ensure the flame of democracy outlives bricks and mortar.

The KPMG report on the offices element is due in the New Year.

*John Grantham,
Reason is Winning
on Offices/Library,
Burton Bradstock*

The current council will do the town a great service if it fulfils its promise to "clean up" Lyme Regis.

I would also like to take this opportunity to commend the council on its anticipated backing of plans to celebrate the Queen's Jubilee, despite the fact that one member, Councillor Lucy Campbell, has declared in the past herself a non-supporter of the royal family.

A local committee is formulating plans for the big celebrations, and I am pleased to learn that our Mayor, Councillor Sally Holman, is lending her support as the head of the town and leader of the council.

*John Hounsell,

thus fails to serve both the stallholders and local shoppers.

A far better site, surely, would be the Holmbush Car Park where there is masses of space both for sellers and buyers, easy parking, a café and probably the cleanest lavatories in town. It would also be easy to get to for bus users and would be more likely to attract shoppers from the Seaton, Raymonds Hill, Uplyme and Charmouth areas as well.

A record primrose or just a wild flower?

Branch chairman Ken Whetlor thanked the audience and all those who had helped to make the festival a success.

Bonfire night goes off with a bang!

■ GINA Symonds and children at the Lyme Regis branch of Cancer Research UK's curry night light sparklers before enjoying their bonfire night meal, which raised £300

■ LYME Regis Football Club members Jack Durrant, Will Swales, Gerard Hitchcock, Chris Simpson and Kieron White helped build the bonfire

By Francesca Evans

HUGE crowds gathered on Lyme Regis seafront on Saturday evening to celebrate Guy Fawkes night.

The spectacular fireworks display and beach bonfire, organised by Lyme Regis Regatta and Carnival Committee, drew in a crowd estimated at 7,000.

The bonfire was built on Saturday morning with help from town council staff, members of Lyme Regis Football Club, Lyme Regis Gig Club and harbourmaster Graeme Forshaw, with Lyme Regis Pre-School providing the Guy. It was lit following the fireworks display by the Mayor, Councillor Sally Holman, accompanied by Mayoress Jane Whittington and several town councillors.

A record number of 30 collectors raised over £2,000, which covered the costs of the night.

Regatta and Carnival Committee secretary, Alan Vian, said: "There was a great atmosphere in Lyme Regis on Saturday. People came from many towns and villages within a 30 mile radius. There was also a surprising number of people who had chosen to have a short break staying in Lyme Regis especially because it was Bonfire Night."

"Bonfire Night really was a great community event with so many people coming together to offer their help and expertise – we have such special community here in Lyme Regis which makes events like those on Saturday happen!"

Views of the fireworks from the new Marine Parade shelters were taken advantage of, with a children's party being held in the Langmoor Community Room and a curry night for the Lyme Regis branch of Cancer Research UK held in the Lister Community Room. The curry night was attended by over 30 people and raised £300 for the charity.

Brave rowers launch Atlantic Challenge boat

THE Corinthians rowing team, from Lyme Regis, officially launched their Atlantic Challenge boat "Spirit of Corinth" into the harbour on Sunday.

The boat will now be taken to La Gomera in the Canary Islands, where team members Brian Fletcher, Chris Walters, Elliot Dale and Tony Short will start the gruelling, 3,000-mile Atlantic Challenge rowing race to Bermuda on Sunday, December 4th.

A big crowd of the team's supporters gathered on the Slipway on Sunday afternoon, where Mr Fletcher described their upcoming challenge as "the stuff of dreams". He thanked their supporters and sponsors, Lyme Regis Gig Club, of which the team are members, and their friends and family.

Mr Fletcher also pointed

out that The Corinthians would be the oldest team ever to enter the Atlantic Challenge, and would be rowing against 17 other boats for what they hope to be about 50 days.

"Spirit of Corinth" was then blessed by the Reverend Keith Vivian and officially named by harbourmaster Graeme Forshaw, who toasted it with a bottle of cham-

# Lyme's own 'mini department store' opens in Broad Street

## NEW BUSINESS PROFILE By Francesca Evans

A NEW "mini department store" has opened in Lyme Regis, offering a range of products, from clothing to toys and gifts.

Liberty & Family Ltd. opened at 10A Broad Street, formerly the Tulip Gallery, last Saturday.

Owner Clare Collins, originally from Bracknell in Berkshire, has been visiting Lyme Regis with her family for 10 years and said she "fell in love" with the town.

She moved to Uplyme in September with husband John and their three daughters, Sophie, 14, Grace, 6, and four-year-old Eve, who has just started at St Michael's Primary School.

"I had been looking at the property for a while," said Clare, "and in spring I decided to go for it."

The former gallery has now been transformed into a "mini department store", selling women's clothing, children's clothing from new born through to teenage, jewellery, bags and accessories, toys, bath soaps, greeting cards and gifts perfect for Christmas. The shop even has a lingerie section - the only one in Lyme.

Liberty & Family Ltd. also includes a dinosaur-theme children's section with Dinosoles shoes and Jurassic themed toys displayed alongside model dinosaur Colin, named after the late fossil hunter Colin Dawes, whose tours the Collins family enjoyed during their holidays in Lyme.

Clare said the local reaction since opening has been "really positive".

The shop is currently open seven days a week from 10am to 4pm.

## Hub needs local support to win £10,000 grant

The Hub youth club in Lyme Regis has been put forward for the final of the first ever Energyshare grant competition.

The new youth club could win £100,000 for solar panels, a new efficient heating system and insulation if local individuals, businesses and organisations pledge their support online now and vote for The Hub between Tuesday, November 15th and Saturday, December 3rd at the website [www.energyshare.com/wwwhublymecouk](http://www.energyshare.com/wwwhublymecouk)

Hub fundraiser Ayvin Rogers said: "This is fantastic news. To get to the final has been a long process and has been achieved by the 400 people registering support so far and the dedicated work of a small Lyme Regis Development Trust team making a strong and detailed case for the grant."

Energyshare, run by River Cottage and British Gas, have divided projects into three groups for the final – large, medium and small. The Hub is in the large category because of the cost of the equipment and installation, and there will only be one winner in this group.

Mr Rogers added: "We are competing against projects in large cities such as Sheffield and Bradford and they can call on large numbers for local support. We really need the community to rally around for this one."

"The Hub had amazing support with the Jubilee People's Millions Lottery competition and we need this level again. This grant is worth nearly twice as much and will help the long term survival of The Hub as well as being a symbol of sustainability."

"All the projects in the final have good energy practice concepts. What makes the Hub distinctive is its deep social impact. It reaches into the heart of our community, valuing young people and giving them the best start in life that we can."

"The renewable energy and conservation strategy we have adopted will make a big difference to the long-term viability of The Hub and we urge anyone with an email address to register their support with us now and vote when the competition is open between November 15th and December 3rd."

Only those registered with Energyshare online will be able to vote.

# VIEW FROM THE WOODMEAD HALLS

**W**e are looking forward to a very busy winter at the Woodmead Halls as we embark on a number of improvements.

A new air conditioning and heating system was completed on Friday of last week, the culmination of a great deal of work by management committee members Charlie Kapur and Jimmy Sweetland into the most cost effective system for the halls.

The air condition unit was installed last week by Exmouth-based company Four Seasons, renewable energy specialists, who did a very good job.

The new system cost just over £7,000 but we believe this is a good investment as it will help to lower our gas heating costs and will also keep the halls cool in summer when the main hall is packed.

The need for air conditioning became very obvious when the hall was full to capacity for the popular Lyme's Got Talents shows. It also means we can keep the hall's doors and windows shut during the summer months which means less noise for our neighbours.

The halls are already reaping the benefit of installing our own electricity generating system last year, leading to a big reduction in our energy costs and also reducing the costs of running the public toilets for Lyme Regis Town Council.

**By STAN WILLIAMS**  
Chairman of the Management Committee

I have no hesitation in saying that the Woodmead Halls is probably the greenest of all community halls in Dorset.

Now that the air conditioning is in and running, we can turn our attention to further improvements. These will include the construction of a third dressing room, enhancing our stage facilities, and the creation of an office.

This will be a big investment costing around £30,000 but forms part of our plan to continue to improve the facilities at the Woodmead Halls, which next year celebrates its 30th anniversary.

Other improvements being planned will see our sound and lighting systems upgraded and the installation of broadband and television facilities so that we can accommodate conferences and seminars.

As well as these exciting plans the management committee continues to work hard on maintaining and improving the fabric of the building, all through voluntary labour.

A working party meets at the halls every

Wednesday morning and if anyone would like to lend a hand they will be more than welcomed. Free coffee and biscuits provided!

Bookings at the halls are still holding up well during these difficult financial days but

we still have a few vacant slots throughout the week. Anyone interested in booking the halls for their meetings or events should contact our bookings secretary, Pat Smith, on 01297 444093.

# Lyme's young sailors praised in annual prize-giving ceremony

■ YOUNG SAILING SUCCESS: From left to right, Cameron Moss, Katie Coates, Harriett Gibbs, Jacob Stow, Lauren Boggon, Josh Bolton, Kelsey Ellis, Findlay Fuller, Jamie Prosser

■ FAMILY ACHIEVEMENT: Father and son Darrol and 12-year-old Cameron Moss won several trophies together

LYME Regis Sailing Club hosted its annual youth section prize-giving on Saturday night, before the Bonfire Night celebrations started.

Over 60 members and parents attended the evening, with focus on individual progress and achievements as well as teamwork.

Harbourmaster Graeme Forshaw and Colin Walters talked guests through each award, and keepers' trophies were presented alongside the cups thanks to a donation from Lyme Regis Rotary Club. A replacement Teamwork Trophy and new Club Racing Participation Trophy were also funded by the Rotary Club.

The Jim Gait Seafanship Trophy went to young

instructor Katie Coates, and team racing, introduced for the first time this year, showed co-operation between Jamie Prosser and Findlay Fuller in separate boats winning the series.

Mr Walters gave an overview of the 13 training sessions held and the progress made. Experienced instructor Alex Fairley thanked Sea School principal Chris Joyner for the use of boats and equipment. Mr Forshaw was then presented with an engraved glass as thanks for his leadership.

Sailing club Commodore David Beer thanked the youth section organisers and assured parents that he would see that the youth section received priority support during his term of office.

Further awards were presented on Sunday afternoon to adult members of the sailing club. Father and son sailing duo, Darrol and Cameron Moss, won several trophies for their joint sailing efforts having taken up the sport just three years ago. Cameron, 12, also won two prizes at the youth section awards.

■ YOUTH section results were as follows:

Teamwork Trophy - Joshua Bolton and Jacob Stow; Personal Challenge Mug - Lauren Boggon; Single Handed Cup - Cameron Moss; Special Mention Plate - Kelsey Ellis; Seamanship Trophy - Katie Coates; Junior Challenge Cup for best results during LRSC regatta - Findlay Fuller; Youth Section Team Racing - Jamie Prosser and Findlay Fuller; Youth Achievement in Club Racing for best results in club racing through season - Cameron Moss; Special Mention Trophy - Tom Waspe; Novices Trophy - Harriett Gibbs; Wooden Spoon - Tom Gillespie.

■ SUCCESS IN GREECE: Local sailors Brian Dale, Peter and Lynne Fortnam, Maggie Tomlinson and Richard and Jan Wyatt show off their prizes after winning the Greek regatta

## Local sailors race to top spot in Greek regatta

A GROUP of Lyme Regis Sailing Club members and friends were named overall winners at the recent 15th Ionian Regatta in Greece.

Brian Dale, Peter and Lynne Fortnam from Lyme Regis Sailing Club, together with Maggie Tomlinson, Richard and Jan Wyatt from Charmouth, took the top spot in their boat "Lone Shark", a Sadler Barracuda Yacht as featured in 1980s television series "Howard's Way".

The regatta is one of the largest sailing events in the Greek islands, with over 200 hundred yachts taking part. It consists of three days of racing from island to island, culminating in a final day's regatta of races.

The overall winner is the yacht to have gained the most points over the whole event. The local sailors had

a title to defend, as last year they were given line honours for being the first and fastest yacht home.

The yacht was sailed from England to Greece and will now be kept on the Ionian islands all year.

However, the trip to Greece wasn't all good news, as a few days after the regatta the group were hit by a mini tornado, damaging many boats with winds at 120 knots.

A complete boat yard was flattened, with many yachts being dismasted or turned upside down. "Lone Shark" didn't escape the damage, as it was hit on the stern by another yacht that had broken free, but the group said the damage was repairable.

# Let's make it Lyme's Olympic Day

IT was a pretty dismal weekend with a pall of sadness hanging over the West Country following the horrific multi-vehicle accident on the M5 near Taunton which killed seven people in the most frightening circumstances.

My mood was not brightened by the ever-depressing news from the Cannes summit that the Euro is in near meltdown and we are bracing ourselves to provide more millions to bail it out.

So it was great on Monday morning to get some good news with the announcement that the Olympic torch will be passing through Lyme Regis on Thursday, July 12th.

A truly unique event which will probably never happen again and an unexpected but unbelievable opportunity for Lyme to celebrate London 2012 and provide an early boost to next year's summer season.

Within seconds of hearing the news I was

## Lyme Matters

by Philip Evans

A decision will not be made until December 11th.

The occasion will give Lyme's sporting organisations the chance to promote themselves and I hope it will be possible to provide an escort for the torchbearer through Lyme made up of representatives of the town's leading sporting groups.

It would be good if July 12th could be designated as "Lyme's Olympic Day"

Next year is shaping up to one of the most exciting in Lyme's recent history.

Not only do we have the fossil and earth festivals, there will be a rejuvenated jazz, blues and beer festival, celebrations to mark the Queen's Diamond Jubilee, the arrival of the first cruise liner in the bay, packed, we are told, with rich Americans, Lifeboat and Regatta and Carnival weeks and the increasingly popular ArtsFest.

It's going to be some summer!

**10,000 people can't be wrong, can they?**

I HAVE written a couple of times in this column about my support for the regenerated Marine Parade Shelters, although I accept I am out of kilter with some of my fellow Lyme Regians on this.

I believe, however, they have made a huge difference to the seafront, adding a touch of class to what used to be a very unloved building.

The shelters will now be closed for a few weeks whilst the town council and users group assess the various comments and suggestions that have been made for its future use by those who have visited the central pavilion - over 10,000 people between the end of August and the end of October.

I think that figure speaks for itself.

## Year Book out soon

LAST year, you may recall, that we published a Year Book for 2010, chronicling all the events in and around Lyme over that year. Several have asked whether there will be a 2011 edition.

Yes, there will. Jackie has already started on putting the book together and it should be on sale before Christmas.

We are hoping to produce a similar book every year which could eventually turn into the definitive modern history of Lyme.

Francesca has also produced a little A5 book, based on her *Summertime In Lyme* column featuring photos from Lyme's multitude of summer events.

## EVENT(S) OF THE WEEK...

SATURDAY was one of those days I promised that I would never put myself through again when I suffered a bout of illness a couple of years ago.

At lunchtime I was invited to speak on the press at the West Dorset Conservative Association conference at Frampton, near Dorchester, and enjoyed engaging in a lively debate on local politics with association members and West Dorset councillors.

I sped back to Lyme after lunch to make preparations for the Cancer Research UK curry night, which we were holding at the Lister Room in the Marine Parade shelters that evening while the bonfire and fireworks

display was happening.

Jackie had spent all day cooking curry and we had to take all the food and equipment down to the shelters before the 6pm start.

We made a profit of £300, which takes us nearly to £7,000 for the year so far, so a big thank you to those who supported the event.

I did not see the fireworks because I had another speaking engagement that evening but everyone says what a good display it was, witnessed by a huge crowd.

I had to leave Jackie and Francesca to host the curry night, with the help of Nigel Fortnam and Cliff Powley, because I had agreed

to compere the Royal British Legion Festival of Remembrance, which I have done many times before. Despite clashing with the fireworks, the concert was supported by over 100 Legion members and friends and turned out to be another great nostalgic evening to celebrate the Legion's 90th birthday.

So well done to Alan Vian and his Regatta and Carnival helpers for putting on another grand fireworks display and also to members of the Lyme branch for their dedication and commitment to the continuing important work of the Royal British Legion, which is as important today as it was when the organisation was formed in 1921.

# New head chef joins community lunch club

**LUNCH CLUB:** Ellen Rooke, head chef Andy Crockett and Councillor Rikey Austin of Lyme Lunches at the Penny Black Cafe

LYME Community Lunches re-launched itself as Lyme Lunches on Wednesday at the new Penny Black Cafe behind the Post Office.

The community lunch club has two new volunteers, head chef Andy Crockett from the Penny Black Cafe and Councillor Terry O'Grady, who will be working as kitchen porter. They join Ellen Rooke from LymerForward, Councillor Rikey Austin and David Edwards, who set up the lunch club.

Lyme Lunches are available to everyone, costing

just £5 for two courses. The next lunch will be a Christmas special with traditional roast turkey and Christmas pudding (vegetarian and diabetic options also available) at Lyme Regis Baptist Church on Tuesday, December 15th at 12.30pm. The lunches will then run on the second Tuesday of every month.

Ms Rooke said: "We are very excited to have both Andy and Terry on board and look forward to seeing this new lunch club develop."

**Red Cross lunch as popular as ever after 22 years**

THE Lyme Regis branch of the British Red Cross raised just over £440 at its 22nd annual soup and sweet lunch on Wednesday. The lunch was held at the Woodmead Halls, where about 65 people enjoyed the two-course lunch, with soup being provided by the Alexandra Hotel. Community fundraiser Beth Collins said: "Thank you to everyone. We have been doing this in Lyme for 22 years so we really appreciate the support of the local people." Pictured above are Red Cross volunteers with president Dr Isobel Smart, vice-president Donald Hall and community fundraiser Beth Collins.

## Successful night celebrating the apple

UPLYME and Lyme Regis Horticultural Society celebrated the apple with a successful evening of events, with guests from as far afield as Australia and Cornwall.

Highlight of the evening was the apple pie competition, which saw the Reverend Gavin Tyte come out on top of 30 entries, winning a meal for two at the River Cottage Park Farm headquarters near Axminster.

Other activities included demonstrations on making toffee apples, apple shuttle and apple curd by preserves expert Pam Corbin and Henriette Wood, and an apple quiz in which participants tasted 20 varieties of

apple from John Wood's orchard and tried to match the juice to the apple.

The evening was finished with guests enjoying apple cake and punch.

The horticultural society's next event will be a quiz and social evening on Wednesday, November 23rd at Uplyme Village Hall starting at 7.30pm. Teams can be up to four people but individuals are welcome to come along and fit into groups. Entry is free to members and £2 for non-members, which will include buffet snacks.

## Christmas comes early for Save the Children

A COFFEE morning in aid of the Lyme Regis branch of Save the Children raised £408. The event was held at Lyme Regis Baptist Church on Friday, where Save the Children volunteers were getting into the Christmas spirit early, selling mince pies, Christmas cards and wrapping. There was also cakes, bric-a-brac and a raffle. Branch chairman Maralyn Hinckson thanked Lyme Regis Tesco Express for donating the mince pies and to all those who supported the event. The money is likely to be used to help those in East Africa.

## Rotary Club to host tool collection

THE Rotary Club of Lyme Regis are appealing for local people to support charity Workaid.

Workaid refurbishes old tools and ships them to East Africa, where they are used for sustainable and practical aid for self-help groups and training projects.

Old tools can be brought to a collection organised by the Rotary Club at the Woodmead Halls in Lyme Regis between 10am and 1pm on Saturday, November 19th.

Useful tools include tools for carpentry, plumbing, motor mechanics, masonry, bricklaying, metalwork, engineering, electrician's tools, power tools, tools for cobblers, leatherwork, upholstery, blacksmiths, welders and gardening. Typewriters, knitting and sewing machines with handbooks are also needed, plus consumables such as screws, nails, nuts and bolts.

## Special gift for Thorncombe shop

THORNCOMBE'S community village shop recently celebrated its second birthday and, with a group of 25 volunteers led by manager Heather King and assistant manager Wilmer Hawker, it has gone from strength to strength.

The village shop has become the centre of the community, offering a variety of day to day provisions alongside more specialist deli counter products.

The shop has always had to watch the pennies as, despite being run by volunteers, there are still many costs to be met just to keep it open and serving the community, so volunteers were delighted when they received the gift of a new vacuum cleaner.

The new Henry vacuum cleaner was donated by Numatic in Chard. Phil Gordon, a keen supporter of the shop, said: "When the shop's old vacuum cleaner started to fail a week or two ago we put a plea out on Facebook and Twitter to see if anyone had an old or spare cleaner for the shop. The very nice people at Numatic in Chard got to hear about our community-run store and said they would help."

Mrs King added: "I have to say how nice it is to get this support from a local company that clearly cares about its community involvement."

MUCH NEEDED GIFT: Shop manager Heather King and volunteers Julia Snellock and Mark Shelley with their new Henry

A COFFEE morning organised by the women's section of the Royal British Legion Charmouth Branch raised £230 for the Poppy Appeal.

The event was held in Charmouth Village Hall on Saturday morning and included a raffle, tombola and homemade cakes.

Charmouth will mark Remembrance Day on Sunday, November 13th with the annual parade starting at 10.30am.

Boat Building Academy  
Lyme Regis

## New 2012 short course programme

The Boat Building Academy in Lyme Regis has published an exciting new short course programme for 2012.

As well as teaching students the many aspects of boat building and restoration, they are the only school in Europe to run two sail making courses. But for those who are not nautically minded they have extended their programme – not only offering the opportunity to learn and improve woodworking skills in a week, but also teaching an intensive, highly practical 8 week course during which students produce a piece of furniture to their own design.

Also, for the first time at the school, expert furniture designer/maker Mark Ripley will be running a chair making course, teaching design principles and ergonomics before helping students build their own dining chair to take home.

If you would like further information on any of the courses on offer, or would like to buy a gift voucher for a loved one, visit the website at [www.boatbuildingacademy.com](http://www.boatbuildingacademy.com), or ring the office on 01297 445545.

# Experience Beaminster

SUPPORTED BY BEAMINSTER & DISTRICT CHAMBER OF TRADE

## Welcome to Beaminster...

### Beaminster finds its voice

**BEAMINSTER, SAID** by many to be the jewel of West Dorset, is starting to realise its own potential. The businesses around the main shopping square are not just the usual national High street names. Almost without exception they are locally owned and as a result can cater exactly for the tastes of their customers.

At a recent Beaminster Chamber of Commerce meeting the local business owners made it clear that the Chamber should be concentrating on marketing the town and all it had to offer. For far too long the town had quietly got on with its own business but times are changing and Beaminster needed to start establishing itself on the local business and retail map.

As a result of this meeting a plan is being drawn up to create 'Brand Beaminster'. This plan includes plans to market

the town to shoppers and business people outside the Beaminster area with an aim to bring more and more business into Beaminster and its surrounding areas.

The Chamber of Commerce is also launching a new website that won't just focus on the Chamber but will instead give details of every business in the area.

Said Nigel Reeve, Chairman of Beaminster Chamber: "With the amenities, shopping and business this town has to offer marketing the area is not exactly difficult. Over the next six months we plan a series of initiatives that will show that Beaminster incorporates modern living without losing old traditional values. I've spent a lot of time working all over the UK and I can confidently say that this town is one of the best in the country to live, shop and work."

## Marketing West

### Marketing Agency Continues to Grow

**MARKETING** West is an advertising, marketing and ideas agency that works closely with its clients. In fact it becomes part of their marketing arm leaving clients free to concentrate on their businesses.

The company takes a proactive role producing ideas and initiatives. Clients realise they should look closely at their marketing, but they don't have the time to do it. Marketing West takes this problem away by meeting with clients and then producing a series of recommendations. Once agreed they make the project happen on time and within budget. The company asks to be judged on sales that result from its work, not awards.

Marketing West keeps its costs realistic often helping clients reduce their marketing spend, not increase it. Marketing West has a pool of designers, writers, printers, studios and website designers all part of the Marketing West team.

## Terry New Denture Clinic

**TERRY NEW'S** Denture Clinic offers a service that few can compete with. Terry has been in the denture business for more than 30 years, and got introduced to the business by a relative who was a technician as well.

He visits a lot of homes, and is one of the few practices in the country who is legally qualified to make dentures without the involvement of a dentist. He can make dentures straight to the public, which saves a lot of time and hassle.

"I do a lot of home visits, and meet a lot of people and go to a lot of residential homes," Terry said. "I offer one on one service, at competitive prices. Prices are extremely competitive even for those with a limited budget. Terry also offers a denture repair service, while customers wait."

"As I work from home, I do offer service at weekends, if I am around."

Based near Ashcot in Somerset, Terry can do home visits within a 25 mile radius of his home. For more information call 01458 210039 or cut out and keep this advertisement for future reference.

## Keep your toilets clean! There is no excuse!

A FEW simple and proactive steps can make all the difference when cleaning your toilet. Many people and organisations (in non customer areas) neglect their toilets - possibly because it is seen as low priority and an unpleasant job. However cleaning your toilets on a regular basis can make all the difference.

Using Cistern blocks which can be less than £1.00 for two can be very effective in cleansing toilet bowls providing they are replenished on a weekly basis, although you could possibly get away with every two or three weeks.

Using toilet cleaner around the toilet bowl just once a day and scrubbing with the toilet brush will also make a big difference if in combination with the use of cistern blocks. You could also use toilet-

let bowl cleaner in urinals like described above as well.

Another important thing to remember is to clean your toilet brush also. If you do not then it will soon become dirty and contaminated with germs, it will also collect dirty water which may well smell after time.

Sinks, mirrors, and, tiles, should not be neglected also. You don't necessarily need to do this every day but make sure that it is done enough to keep it consistently looking presentable for the people who may use your toilets. Remember if a important customer or visitor to your house or business was to see your toilet it would reflect you as an individual or business and could be to your detriment.

**Nantes Solicitors launch 'OPEN WEDNESDAYS IN DORCHESTER'** – offering individuals and businesses the chance of 15 minutes free legal advice

**HIGH-QUALITY** legal advice can be both costly and hard to find which often means that individuals and businesses are reluctant to seek legal advice or contact a solicitor until they really need to. This strategy can result in delays and an even costlier outcome. Recognising that a visit to the Solicitors can be daunting and even traumatic Nantes Solicitors have launched 'Open Wednesdays in Dorchester' when anyone can pop in from off-the-street to discuss a legal problem, however small, that might be worrying them. The team in Dorchester will be on hand from 2pm to 6pm to give FREE 15 minutes no obligation legal advice on everything from family and property issues, litigation or personal injury claims to the full spectrum of business and employment matters.

Said Nantes Dorchester based Solicitor, Siân Merriott:

"We have launched Open Wednesdays to give people who have any kind of legal question or who perhaps

are unsure whether or not they need a solicitor, the opportunity to meet us to find out. Our aim is to make every visit to us a pleasurable and informative occasion. Those who pop in will benefit from an exchange of 15 minutes or so with a practising lawyer who will listen and provide clear and easy to understand answers. With the right legal advice you can be sure that you are making a properly informed decision. So, if you're looking for some pointers on how to tackle a business or personal problem but don't know where to begin, or are hesitant about approaching a law firm, do pop in and see us, we're here to help!"

For FREE LEGAL ADVICE visit Nantes Solicitors in Antelope Walk, Dorchester on Wednesdays from 2pm to 6pm, just pop in or if you prefer call 01305 250100 for an appointment.

# Dancing master at The Electric Palace

IRA Bernstein will be performing his Appalachian Roots show at Bridport's Electric Palace on Wednesday 16th of November. Local musician Stompin' Dave Allen who's well known for livening up Bridport's streets and venues with his music and dancing said "It's a dream gig for me to be supporting and promoting Ira Bernstein who has been such a big inspiration." Ira is considered the leading figure in this dance style, he is America's foremost performer and teacher of old-time flat footing and clogging. Formerly a member of the highly influential Fiddle Puppets, he has given performances and workshops across the globe and has repeatedly won first place in the old-time flatfooting competitions at the Mount Airy Fiddler's Convention, North Carolina and at the Appalachian String Band Music Festival, Clifftop, West Virginia.

Stompin' Dave says "If you like what I do you'll love Ira. He was the first flatfoot dancer from the U.S. I saw dance live when he performed at Sidmouth Folk Festival many years ago, and it was mind blowing. I started to attend his dancing workshops and he introduced me to Mike Seeger's film Talking Feet which is a must watch for anybody interested in American folk dancing as it includes stacks of classic footage of dancers from across the south. I also obtained a copy of Ira's book Appalachian Clogging and Flat Footing Steps. This book includes instruction to such fascinating and delightfully named steps as the buck and wing, the wagon wheel, the bunny hop, the double Indian, and the barnyard slide. Ira Bernstein is a dancing master. Do not miss this show! He is not only superb at many styles of American dancing including flat footing, clogging, buck dancing and tap dancing he also is an expert fiddle player, English clog dancer, and French-Canadian step dancer, he also does South African boot dancing!"

RESPECTED BANJO  
PLAYER | Riley Baugus

This concert is sure to be a dance filled cracker with some reports claiming that Ira burns up to four thousand calories a night! What with Stompin' Dave appearance this promises a whole festival worth of dancing on one night. This wasn't enough also included is Ira's musical partner one of the most respected practitioners of old-time banjo Riley Baugus. A native of North Carolina Riley often visited, played with, and learned from the legendary Appalachian fiddler Tommy Jarrell, as well as other eminent old-time musicians such as Robert Sykes, Dix Freeman, Verlin Clifton, and Paul Sutphin. Riley has played with numerous old-time stringbands, including The Red Hots, Backstep, and the Old Hollow Stringband, and currently plays with the Dirk Powell Band, and Polecat Creek. He has previously toured in Europe with The Farmer's Daughters, The Konnarack Critt, Dirk Powell and Tim O'Brien as well as with Ira. Riley's wonderful distinctive voice was featured in the Academy Award winning film Cold Mountain.

The performance at The Electric Palace starts at 8pm with doors opening at 7pm. For advance tickets £12 (on the door £14) please call or visit Bridport Music (01308) 425707 or Bridport TIC (01308) 424901. For online ticket sales visit the website [www.stompinstore.com](http://www.stompinstore.com)

## Stork Room Dance with the Rex Trevett Big Band

IN 1950s London Picadilly's famous Stork Room was a place of unimaginable luxury and Bridport Arts Centre is recapturing the spirit of the age with a Stork Room Dance.

The Rex Trevett Ban will be playing all of the best tunes from the 50s and 60s including Glen Miller's American Patrol and Louis Armstrong's Mac the Knife.

Margie Barbour said "The evening is perfect for dancing or simply listening to the tremendous Rex Trevett Band, Glenn Bayliss our wonderful local dance teacher will lead a party Samba so everyone can join in".

The club accommodated Aristocrats, Millionaires, film stars, singers, Krug Champagne and fine wine. Dress up in something to suit the theme, black white and something sparkly!

This event is a celebration of photographer Marcus Harrison's exhibition in the All-sop Gallery. Marcus moved to London with only his Leica camera in 1952 making his way to in house photographer in the Stork Room, capturing film stars, royalty and the underworld at play. There will be a chance to see his photo-

graphs as well as celebrating the Opening of Bridport Open Book Festival at 6.30pm.

Book your table now and take your places on the dance floor of the Marlow Theatre floor at 7.30pm.

This event will raise funds for the Rex Trevett Big Band and We HEART BAC appeal.

The dance takes place on Sunday, December 18th from 7.30pm. Tickets cost £7.50, available from the Arts Centre.

Tickets for the evening

are just £15 and can be bought from Newlands Holiday Park on 01297 560259.

## Artsreach fundraising calendar 2012

ARTSREACH, Dorset's rural arts organisation, has commissioned a fundraising celebratory 2012 calendar to go a little way towards making up for its reduced public funding.

Artsreach's 2012 calendar, which costs just £8, features stunning photographs taken by artist-in-residence Ben Osborne on his recent Jurassic Journey project. These include evocative shots taken along the World Heritage Jurassic Coast, of St Catherine's Chapel in Abbotsbury by moonlight (where time-lapse provides a star 'shower'; the Cobb in Lyme Regis, Swanage harbour, stormy skies over Worbarrow Bay, plus wildlife including guillemots on Durlston cliffs and Burnet moths, as well as remarkable varied examples of the geology found along the coast.

A feel-good gift – help Artsreach fundraise and at the same time pick up the perfect Christmas present! Ben's sumptuous images provide a tantalising glimpse of the richness of the journey he has made along Dorset's iconic coastline. To order a copy at £8 + £1 p&p each, please send a return address and cheque (payable to Artsreach) to Artsreach, The Little Keep, Bridport Road, Dorchester DT1 1SQ; call 01305 269512, or collect in person for £8.

Parents and children turned out in force to support the launch, with massive interest in both the book itself and the innovative and educational 'create your own timeline' activity, overseen by Woodroffe School community art teacher Alison Bowskill. Janis signed copies of the book, while children of all ages learned when real-life versions of the Ecosaurus characters roamed the earth.

"It was lovely to see the library so full and there was a real buzz, with whole families enjoying the activity and the social element," comments Lyme Regis Librarian Claire Leech. "It's such a charming book, as educational as it is entertaining with great fact files and activities, and I'm pleased we were able to launch it in the library." Lyme Regis business owner and mother Michelle Wilkins adds: "Meet the Ecosaurus is a real treat. We all enjoyed the lovely story and fabulous illustrations, and can all learn together as a family – we were all thrilled to find out about genuinely local dinosaurs and other creatures. The timeline activity is great and we're looking forward to making the Jurassic cake! It solved all our Christmas present dilemmas too!"

The Ecosaurus website ([www.ecosaurus.com](http://www.ecosaurus.com)) is now live, and children can download pictures of the Ecosaurus characters to colour-in and use as part of a timeline activity at home. Meet the Ecosaurus purchasing details are also available online.

## Poetry for Pleasure

by Frank McGarry

*For many more there is no resting place recorded,  
But all are honoured by a country, blessed and free.*

Out next contribution, from Weymouth, was written by Bryan Cookson, who has been to the Somme battlefield to see the grave of his maternal grandfather, who was one of the many thousands who died there.

**IN GOD'S HANDS**  
*Row after row of white gravestones  
Beneath each one lies  
A young warrior.*

*Stones as far as the eye can see  
What a price they paid  
For us to be free*

*Warriors from land, sea and air  
Together their endless sleep they share*

*Lying in some foreign land  
With their comrades at peace  
And in God's hands*

*Remember them as they were  
Proud and standing tall  
Remember them  
Remember them all.*

This final poem is by Charlotte Mew who was born in Bloomsbury in 1869. Her first collection of poems was published in 1916. Later she became a good friend of Thomas Hardy's second wife, Florence. Hardy described Charlotte as 'the best living woman poet'. Both poets died in 1928.

**MAY, 1915**

*Let us remember Spring will come again  
To the scorched, blackened woods, where the  
wounded trees*

*Wait, with their old wise patience for the heavenly  
rain,  
Sure of the sky: sure of the sea to send us its healing  
breeze,*

*Sure of the sun. And even as to these  
Surely the Spring, when God shall please,  
Will come again like a divine surprise  
To those who sit today with their great Dead,  
Hands in their hands, eyes in their eyes,  
At one with Love, at one with Grief, blind to the  
scattered things and the changing skies.*

● If you have a short poem of your own that you would like to share with our readers please send it to: Poetry for Pleasure, Lyme Media & Events Ltd, St Michael's Business Centre, Lyme Regis, Dorset, DT7 3QF. Or e-mail it to us at: [pemedia@pemedia.co.uk](mailto:pemedia@pemedia.co.uk)

*With much respect we pause to mourn the fallen  
generations,*

*Whose lives were taken from them in the battle  
zones of war.*

*Their hopes for life – and looking to the future  
Fell with them, broken – shattered to the core.*

*Today we stand in silence and remember,  
With heartfelt thanks their willing sacrifice.  
Their legacy to us – the gift of freedom,  
For which they paid the ultimate, full price.*

*They answered, each, the call to do their duty,  
On land, on sea, and also in the sky.  
On foreign fields, on distant oceans: there they  
perished.*

*They bravely went, and were prepared to die.*

*They gave their lives so we could have 'tomorrow',  
No more for them the dawning of a day.*

*They left behind them family, friends and sweethearts,  
And memories which will never pass away.*

*Their names are written down across our nation.  
Their graves are marked in lands across the sea.*

# Let's keep this brief...

ROSEMARY Hawthorne brings her one woman show, The Knicker Lady, to The Marine Theatre in Lyme Regis on Friday, November 18th.

View from Entertainments Editor Rob Larcombe recently spoke with Rosemary about The Knicker Lady, her recent appearance on the Alan Titchmarsh Show, and her time living in Honiton.

#### WHAT can the audience expect from your upcoming show at the Marine Theatre?

*It is a Two Act Show with clothes – over and under – colourful, amusing, occasionally hilarious, for both men and women. In brief (no pun intended) it charts women's lives for the past two hundred years, and I just tell the story and make a fool of myself. The knickers are the real star.*

#### HOW did you become involved in historical clothing, and what made you focus on the history of underwear?

*I have always been fascinated by the history of fashion and for years have collected antiques and vintage costume and, as an actress, I felt I could develop this passion into an entertaining Show. It helped that I had already written a book on the history of knickers – Knickers: An Intimate Re-Appraisal (Souvenir Press).*

#### YOU were recently on The Alan Titchmarsh Show, discussing the styles seen in Downton Abbey. For readers who didn't see the show, what did you think of Downton Abbey's fashions? And was the show true to the period?

*The Downton Abbey cast wear superb, charming clothes that are not only accurate for the period, but designed to enhance each and every character. They're very lucky actors indeed. It was a great pleasure to meet lovely Emmy winner, Susannah Buxton, the senior costume designer.*

#### WHAT is your favourite era of fashion, and is that because of, or in spite of, the underwear?

*I love eighteenth century clothes, the early 1800's and, most of all, 1914 – 1924, a transitional time for women's lives, and thus what they wore.*

#### A PAIR of Queen Victoria's knickers sold for £10,000 this week.

**What are The Knicker Lady's thoughts on that particular garment?!**

*I am overjoyed that there are people prepared to flash the cash and buy a pair of that remarkable Monarch's old drawers – even more so since I happen to own a pair of Her Majesty's plain-sewn, regal nether garments. These I purchased privately many years ago... for a very modest price, I hasten to add.*

#### YOU lived in Honiton, a few years ago. What do you like about the area?

*I loved living in Honiton. We had a lovely house, kind neighbours, the sea and countryside nearby and wonderful antique shops. We still have many friends in the area. It's a great place to live.*

#### DO you have a pair of lucky pants?

*My goodness, yes. It has to be the vast pair of Queen Victoria's!! Little would she have realised that her intimate apparel would become bankable assets in the future.*

#### HOW important is a good pair of pants?

*We all have different needs. Some people cannot bear to wear anything but the most expensive, elegant undies. Others want only comfort, however, whatever the make.*

*Me? That's easy. Clean ones, darling.*

## A BRAND NEW SOCIAL NETWORK: MY SOCIAL WHIRL

WHEN Justine Blythe relocated from Plush to Weymouth in 2010, she realised that sometimes it can be difficult to make new friends in a new town, so she decided to launch a brand new social network called "My Social Whirl".

The launch of the network will take place on 19th November 2011, 8pm at The Kazzbar, Banus, The Esplanade, Weymouth where guests will enjoy entertainment from Spanish guitarist Jon Pickard plus cocktails and canapés produced by baristas and chefs at The Kazzbar. This event is free to attend, guests must email [livelife@mysocialwhirl.com](mailto:livelife@mysocialwhirl.com) to put their name on the guest list.

Justine Blythe, Director of My Social Whirl said "I am a very sociable person yet I still found it hard to make new friends, so the aim of the company is to allow people to make lots of friends, go on many and varied social events and try new exciting experiences. Members will be able to interact online too and arrange their own events or join specific interest groups. Members will be personally introduced to each other to avoid any awkward moments. Events include Christmas Shopping, January Gourmet Evening, Pub Quiz, and a Spa Day" More information can be found at [www.mysocialwhirl.com](http://www.mysocialwhirl.com) or email [livelife@mysocialwhirl.com](mailto:livelife@mysocialwhirl.com)

One of the biggest social changes in the last ten years in affluent societies has been the increase in single person households. This is due to a variety of factors including the rise in divorce rates, increasing numbers of lone parents and young professionals moving around and living alone for longer. Over the next twenty years single person households are predicted to increase by over four million to nearly eleven million households in the UK alone. Many recent psychological studies have shown that loneliness can have a detrimental effect on a person's health, physically as well as mentally. Many of the studies have shown a direct link to increases in heart disease, high blood pressure and the incidence of cancer in patients who are lonely. Chronic loneliness can also be a major contributing factor in depression. Socially isolated people are shown to have shorter life spans than those with a support network of close friends and family.

These factors have contributed to the explosion in the number of social networking sites on the internet in recent years. However, chatting to someone online is no substitute for actual face to face interactions with friends. My Social Whirl aims to combat this growing phenomenon.

## POET LAUREATE TO VISIT BRIDPORT!

BRIDPORT'S first Open Book Festival reaches a tremendous climax on its final weekend with an appearance by England's Poet Laureate Carol Ann Duffy.

The first woman to hold the position, Duffy is that rare thing - a truly popular poet who is appreciated by everyone. Her latest collection 'The Bees' was launched recently to great acclaim, and she also writes for children.

Her work also appears on many exam syllabuses, and indeed, she will be performing for an exclusive audience of local schoolchildren before her evening performance.

A spellbinding performer, Duffy, who is also poetry judge for this year's Bridport Prize, will be appearing with guitarist John Sampson at 8pm on Friday, November 25th at Bridport Arts Centre, and tickets are going fast!

## Singer-songwriter Tia to play next Hayloft Session

DORSET singer-songwriter Tia Roos is to play at this week's Hayloft Session at The Hayloft, The Stables in Bridport.

Tia started playing guitar aged 9 – the same guitar that sparked a musical career of her second cousin, Andy Summers (The Police). Through the years she has played with various musicians of international renown, and has performed across all areas of the South of England to New York. At 16 she formed her own band, recording her first demo with much success, however later Tia decided to go back to her roots. After finishing a psychology degree, Tia is now back on form with her music, and at present recording her first debut album (with producer Mike Hallett), accompanied by an addition to her sound, variety of drummers (Barney Stevens, Jack Revy and Ryan Halsey) on percussion and drums. Her songs are straight from the heart and aimed straight at the truth. They are often deeply personal, always frank. They are a blend of lyrical poetry, imaginative musical structure and composition, and with Barney Stevens, strong and thoughtful Cajun drum technique and feeling.

Tia Roos plays at The Hayloft on Thursday, November 10th. Doors open 7.30pm - get down early for a cider and pizza before the gig!

Jamie Smith's MABON to play in Bridport

AWARD-WINNING, stunning, joyous and vibrant - Celtic music without borders - Jamie Smith's MABON (JSM) is an essential and heady treat, currently seen by audiences and critics alike as one of Britain's fastest rising 'must see' roots acts.

JSM's music is self-styled, singular and toe-tappingly good - an irresistible blend of world music, Celtic roots and rabble-rousing funk folk, filled with energy, joy and passion. Jamie Smith's prolific and imaginative compositions take you on a magical whistle-stop Euro tour, with jigs and reels jostling for space alongside other dance-related forms including Breton fest-noz, French mazurka, Galician muinera and even shades of klezmer in an exuberant, feelgood show.

Stand by for infectious, energising, life affirming music in spades. As 'fRoots' put it, "Mabon are comin' through, no surprise to hear them, powerful, authentic and a tad wonderful".

Jamie Smith's MABON play at Bridport Arts Centre on Thursday, November 17th. Tickets cost £15, £14 members, £12 concessions, and are available from Bridport Art Centre Box Office 01308 424204, open Tuesday-Saturday 10am-4pm

## Pharaoh Talk at Dorset County Museum

ON Thursday, November 17th, Professor Alan Lloyd of Swansea University will give the first in a series of lectures accompanying the current blockbuster exhibition at Dorset County Museum, Pharaoh: King of Egypt.

Professor Lloyd is a former chairman of the Egypt Exploration Society, former editor of the Journal of Egyptian Archaeology and professor of Classics and Ancient History at the University of Swansea. His illustrated talk is entitled 'Pharaoh: the God in the Man' and takes place at the Museum on Thursday 17 November at 7pm.

Tickets for the event cost just £5 and are available now from the Museum Shop.

Further talks in the series will follow on 15 December and in January next year - for full details check out the museum website on [www.dorsetcountymuseum.org](http://www.dorsetcountymuseum.org)

The exhibition, which runs until January 22nd 2012, showcases the largest UK loan of Egyptian artefacts ever made by the British Museum and many of the objects have never before been seen outside London. The Museum's famous Victorian Hall has been completely made-over in order to fit everything in - don't miss it!

*Listen To This set to go with a bang this week*

THOSE of you who enjoyed Award-winning Encore's gloriously funny production of Michael Frayn's *Noises Off* in 2003 will be queuing up this week to see what Encore can make of his collection of hilarious short sketches and monologues, *Listen to This*.

The performance is a firework display of human absurdity. Frayn's keen eye for both the subtlety and the grotesquery of human relationships rockets the audience from the horror of a family car journey through the wilderness of the suburbs, on to Heaven (a planned avalanche in Norfolk has become a major issue due to budget cuts), and then to a vicious - but highly satisfying - murder in ancient Greece.

Throughout, the cast moves smoothly through the series of sparkling sketches, barely pausing for breath as they spin from one scenario to the next. Frayn loves to explore the pathetic and hilarious failure of people to communicate when they desperately want to (- or do they?) and the bizarre, yet painfully familiar situations which result.

This is a seasonal fizzing, sparkling, banger of an evening and, like all good pyrotechnic displays, over only too soon. The production is informal with some 'cabaret'-style seating and refreshments available from the bar throughout. Tickets cost £10, to include a glass of wine and nibbles - half price for students.

Performances take place at Bridport Arts Centre on Wednesday, November 9th, Thursday 10th and Friday 11th, at 7.30pm each night.

# Behind the Curtain – Nightlife in London 1952-59

IN the exclusive nightclubs of 50s London, photographer Marcus Harrison was a familiar face among the showbiz stars and notorious criminals.

Having arrived in London from Australia in 1952, with nothing except his Leica camera, Marcus captured the spirit of the age after becoming in-house photographer at Quaglino's Hotel and Piccadilly's famous Stork Room.

In a landscape steeped in the gloom of post-war austerity, glamour, sleaze and crime could be found concealed behind the plush curtains of London's exclusive night-clubs.

Aristocrats, millionaires, captains of industry, film stars, actors and singers flocked to these privileged places. It was a world of then unimaginable luxury with Krug champagne, fine wines, Cuban cigars, Napoleon brandy, oysters, lobsters, caviar; and for some men, an abundance of well-fed and coiffed young beauties.

Marcus never asked permission from his subjects resulting in candid photographs that capture the fleeting moment.

"It's a far cry from the smoky nightclubs of London in the 1950s to the ancient post town of Bridport Dorset, with wide streets swept by sea breezes, but the Allsop Gallery in the Bridport Arts Centre is a magnificent venue," said Marcus.

LIFE THROUGH A LENS | Marcus Harrison's photographs will be displayed in Bridport Arts Centre's Allsop Gallery photo by Diana Clarke

SNAPPED | The Maharaja of Cooch Behar with Vogue Model Gina Egan, later the Maharani of Cooch Behar, and Bill Ofner, Stork Room Manager, London, 1956

"In the midst of a vibrant community of country and professional folk, with a sprinkling of creative refugees from London, I hope that my vintage photographs, with their nostalgic mix of film stars, socialites, nobility, Royalty and the underworld, will find a kind welcome and acceptance there."

The exhibition is a who's who of 50s superstars containing rarely seen images of Frank Sinatra, Billie Holiday, Robert Mitchum, Abbott and Costello and many more. Often caught rubbing shoulders with notorious gangsters and glamorous fan girls.

The exhibition also features an installation of vintage furniture provided by the Bridport Store, Old Albion, to provide a 1950s feel.

Arts Centre Director, Polly Gifford, said: "We are delighted to showing Marcus Harrison's evocative images at the Arts Centre. They conjure up a particular time and place, now long gone, with great affection but also great insight, revealing a world unknown to the great majority of British people."

The Exhibition runs until Saturday, December 17th and admission is free.

Before his exhibition opened last week Marcus Harrison took time out to talk to View From Reporter TOM GLOVER about his experiences.

## WHAT response did you get when taking these photos?

People in show business perk up for the camera, Marlene Dietrich would adjust her head if I was lingering around her so that I would get the best profile. She would shield her sagging neck with her hand. I got whacked a couple of times, from behind, but never when I was actually taking pictures, just when I was walking around with the camera in my hand.

## WAS there anyone you particularly liked to photograph?

Bob Mitchum was a terrific guy to be with, he had that American knack of being your barroom buddy and the President of the United States at the same time. He invited me to come and photograph him and have a drink in his flat while he was making a film over here. I spent about four hours with him, he drank steadily all the time just sipping, he didn't eat anything, I was waiting for the salmon sandwiches but they never arrived. He was such a wonderful guy, there were stories to the contrary but to me he was the perfect gentleman.

## WERE the 50s a magical time to be around?

They were great times to be mixing with people whom you otherwise could never have conceived of knowing. Through my camera I got to meet royalty, aristocrats and real hardcore criminals. Stubby Kaye, who I was a

particular pal with, used to drive with me for breakfast when the Stork Room closed. We'd go to the Jewish bagel shop in Petticoat Lane, have breakfast and then I would drive him back. He'd sleep all the way driving there and all the way driving back.

## WHY did you choose to catch people in their natural state?

Well, the reason for me being in those places was because I took souvenir pictures for the patrons but I also took other pictures that I could sell to newspapers. If I took a picture of somebody in a divorce case at say 1 o'clock in the morning, I'd shoot straight down to the Daily Express in Fleet Street where I had use of their darkroom, I'd develop it there and if they didn't buy it I'd take it away and go to the Daily Mirror or to somebody else. Principally though I ran a souvenir photo service and I amused myself by collecting celebrities.

## IN many ways then you were the original paparazzi?

I think I was one of them. I didn't stalk people in the street except the ex King of Italy with his daughter. Unfortunately I cut out his minder in the photograph, I shouldn't have done that. I never wanted to badger people in their homes, the nightclubs were places where people came, they were public places and if they misbehaved or didn't want exposure they shouldn't be there.

## ARE there any photos in this exhibition that you're particularly proud of?

There is one of a group of working class ladies in a working man's club in Peckham Rye and they are pictured doing the Lambeth walk. These are women fresh from the horrors of the blitz who had worked in factories, were ambulance drivers or nurses. You can see what a great time they are having and there husbands back from the war, if they came back, are applauding them in the background. I really like that picture, its got swing and verve.

## DO you think we still have celebrities like we did back then?

No, I think celebrities came up the hard way in those days. Marelene Dietrich had her beginnings in the nightclubs and bars of Berlin and she was already a seasoned performer when she hit America, but there was a lot of work to be done to turn her into the star she became. When they came to nightclubs the stars never came with minders, they would just walk in with a couple of chums and sit down and sometimes they'd come up on stage and do a song. People in a parallel position today we do not have access to. You've got to deal with minders and press agents. Bob Mitchum just asked me to come round and have a drink, I didn't have to talk to anybody.

## MINI yours: personalisation becomes an art form

BY OFFERING a huge range of style, comfort, convenience and technology options, MINI has always been ahead of the pack at encouraging owners to personalise their cars. Now the British brand is taking this unique appeal and innovation to a new level of sophistication with the launch of a stunning collection of premium options, called MINI Yours.

MINI Yours is pure differentiation by design, a vast catalogue of exclusive and design-led exterior paints, tattoos, interior trims and upholsteries that are completely new to MINI. It will ensure a bespoke and truly stand-out result for every owner.

Walking into a MINI showroom, any customer can still personalise their purchase from the much-loved and comprehensive list of options. MINI Yours operates at the next level, turning the fun of deciding how your car is finished into an art form. Buyers can select a MINI limited edition such as the MINI Inspired by Goodwood, MINI Soho, Clubman Hampton or the recently announced London 2012 edition. These

have all now been integrated into the MINI Yours programme.

And for a genuinely bespoke design, customers can select as much or as little as they like from the extensive range of exclusive MINI Yours options.

"The introduction of MINI Yours underlines MINI's reputation as the benchmark car brand in customisation. The sheer number of options available through MINI Yours means customers can tailor-make their MINI using exclusive colours, designs and materials like never before; creating a MINI like no other on the road," said Jochen Goller, Director of MINI UK.

In addition, MINI will lend a helping hand to that process by creating a number of special MINI Yours packages. To celebrate the programme's UK launch, the first of these is the MINI Avenue.

The MINI Avenue package is available with either Highclass Grey or Laguna Green metallic paint. Both feature an identical interior with an exclusive 'Soda' repeating design motif.

The car's standard spec includes Satellite Grey Soda

Lounge leather with matching black floor mats, Bi-colour Sport leather steering wheel with multi-function controls, Soda mirror caps and special effect white bonnet stripes. The vehicle runs on 17-inch twin-blade spoke alloy wheels.

The price of the exclusive MINI Avenue package is £4,880 on a MINI One or

One D, Hatch, Convertible or Clubman, which means a MINI One D Avenue would cost £19,360 OTR. "The MINI Avenue package has a sophisticated, classy character," explained Jochen Goller. "In the future MINI Yours packages will include all sorts of characters; from performance-oriented and masculine designs to really distinctive standout styles."

This will make finding two same MINIs on the road even harder!"

Tantalisingly, he hinted at even greater levels of MINI customisation in the future. "MINI Yours is an exciting and innovative development for the brand, but it's just one more step on the journey. It's not the end. There is far more to come from MINI."

## Mitsubishi specialist joins Greig & Allen

MITSUBISHI Master technician, Dan Staples, has joined Greig & Allen after the Southgate dealership ceased

trading last week. Dan has worked with the Mitsubishi brand for over 12 years and knows the whole range of vehicles inside out. He said "I am very pleased to be one of the team here at Greig & Allen. As one of Brid-

port's leading independent garages, they have the capacity, expertise and equipment to offer local Mitsubishi

owners a first class alternative to a main dealer, and enable me to provide some continuity for my customers."

Managing Director of Greig & Allen, Hugh Matthews, added "I am delighted to welcome Dan and his significant experience to the group. We are both committed to ensuring that his customers continue to have the peace of mind and convenience of a Mitsubishi specialist in the local area, and with a labour rate of almost half that of Southgate, customers can also expect to enjoy a substantial reduction in their servicing and repair bills."

For further details telephone Greig & Allen on 01308 424600 or visit the workshop on the Dreadnought Trading Estate, Bridport.

## GEM warns: "winter tyres are not snow tyres"

WITH some of the major car manufacturers now offering to fit winter tyres, No. 1 for breakdown cover in the UK, GEM Motoring Assist is advising motorists to be fully aware of all the facts before opting for winter tyres when the seasons change.

After two consecutive bad winters, the awareness of winter tyres has greatly increased in the UK, and GEM is warning motorists that while winter tyres offer a number of benefits in low temperatures, they should not be confused with snow tyres. When the

weather takes a turn for the worse and ice and snow come into the equation, motorists must not expect them to match up against such elements.

GEM Chief Executive, David Williams MBE, comments: "Winter tyres are most efficient in tem-

peratures below 8°C when the rubber and silicon compounds in normal tyres are affected; reducing their flexibility and resilience. In such temperatures, winter tyres will significantly reduce stopping distances and offer more feedback to the driver's fingers. However, when slush, ice and snow are on the roads, motorists must re-

main as cautious as ever." While drivers will see an extended life expectancy for their 'summer tyres', as they get a break during the coldest months of the year, having two complete sets of tyres will be an expensive investment. Similarly, drivers should be aware that if re-using winter tyres from the year before, tread depth may be af-

fected. Any wear to tyres automatically means reduced levels of grip in both wet and cold conditions.

David concludes: "The most important issue for us is making sure motorists, whatever tyres they have fitted, take extra care when driving in wintry conditions. Leaving much more space between the car in

front allowing more time to brake, and driving at speeds that suit the conditions around them will help prevent serious acci-

dents this winter."

### Get your vauxhall winter-ready for just £129

FOR a limited time\*\*, Vauxhall MasterFit is offering an incredible deal on a Winter Service\* for only £129 – including a free set of AutoSock Snow Socks – for all Vauxhall vehicles over 36 months old.

The Vauxhall MasterFit Winter Service will make sure the owner's Vauxhall is ready for the winter weather and it includes a free set of AutoSock Snow Socks, which are far less bulky and awkward than snow chains and are easier and faster to fit.

Worth at least £49.95, the AutoSock Snow Socks simply slip over the driving wheels of a vehicle, helping motorists in snowy and icy conditions by creating friction.

The Winter Service fits within the Vauxhall service schedule, which operates on a two-service cycle alternating

between 'interim' and 'major'. Vauxhall MasterFit Retailers offer Vauxhall owners complete peace of mind as their vehicle will be serviced by MasterFit trained technicians and only fit genuine Vauxhall parts.

"Vauxhall MasterFit continues to support its customers in maintaining their Vauxhall to the highest standard at a competitive price," said Belinda Craik, Service Manager for Vauxhall.

"The £129 Winter Service with free AutoSock Snow Socks underlines our commitment to providing our customers with outstanding value from the Vauxhall MasterFit service and repair network – as well as keeping them safe on the roads this winter."

\*Service is an Interim Service

\*\* Winter Service offer runs between 1st October and 29th February 2012

PERRY STREET LEAGUE

WITH HOWARD LARCOMBE

# Rainbows held at Ilminster but Seasiders sail on at top

## DORSET JUNIOR CUP

### BEAMINSTER RES 7 CHARMOUTH 1

THIS local-derby county cup-tie was effectively over long before the half-time interval which saw the teams troop off with Beaminster 6-0 to the good.

Charmouth did however show commendable spirit to draw the second-half.

Josh Hunter, who took his recent tally to a remarkable 13 in four games, with four goals, was the Rainbows goalscorer hero. Ross Pickett, Daryl Read and Will Allen added singles whilst Scott Meyers netted the Robins' consolation.

Dan Pyett was the Charmouth choice for Beaminster's MoM.

### PARLEY SPORTS 5 NETHERBURY 3

NETHERBURY were knocked out of the Dorset Junior Cup, after ending on the wrong end of a very close game against Parley Sports A.

The Ambers took the lead through Reece Bulman who reacted quickly to slot the ball home on 10 minutes.

The hosts were visibly shocked by this impressive start and Netherbury deservedly extended their lead in the 23rd minute when Bulman struck again.

Parley hit back after the Ambers failed to clear their lines properly from a corner. Another set piece saw Netherbury caught cold and a quick freekick lead to the equaliser.

To rub salt into the wounds the Ambers went 3-2 down right on half-time, when a deflected shot found its way past Daniel Melish.

John Kingston volleyed into the top corner, after a Bulman cross to level at 3-3. But Parley struck twice more to secure the win.

"We more then held our own against them, but unfortunately we got punished for a couple of small mistakes" said Netherbury manager Andy Loudon who selected Ben Brook and Ryan Gay as his star men.

### PYMORE 1 BRADFORD ABBAS 2

PYMORE crashed out at the last 16 stage after a close fought 2-1 defeat at the hands of Yeovil League outfit Bradford Abbas.

The teams appeared to be heading in goals less at the interval before the visitors struck on the stroke of half-time. Darren Poole equalised 10 minutes after

the restart but Abbas weren't to be denied and they bagged a 75th minute winner as Pymore were left to rue a host of missed chances.

◆ Revised draw (quarter-finals, scheduled for Dec 3rd); Stickland Utd v Donhead Utd, Bradford Abbas v Beaminster, Piddlehinton Utd, Galaxy Sports v Parley Sports.

## Premier

### COMBE RES 4 PERRY STREET 3

THE saints trailed 0-2 and 2-3 before battling back to claim a useful three points.

"It was obviously a good result but not a good performance" said Combe manager Ashley Fussell.

Seventeen-year-old striker Jay Stewart netted a hat-trick for the hosts with Josh Chadwick also on target.

### CREWKERNE 5 FARWAY UTD 2

CREWKERNE manager Nick Murphy felt the game turned on referee Martin Ives' decision not to send off Kevin Wheeler after the experienced defender handled on the goal line.

"If I was on the other end of the at-decision I would have been gutted" said Murphy.

Farway's Ben Williams tucked the penalty away after Dale Wood had kept out his initial effort and the teams trooped off for the interval with the Devonians 2-1 ahead after Jamie Spurle had cancelled out James Salter's opener.

The second-half was all Crewkerne as Ed Butcher (2), Ben Laver and Spurle scored the goals which keep Murphy's side well-placed in fourth spot.

### ILMINSTER RESERVES 1 BEAMINSTER 1

"THE best side we have faced this season so far" was Beaminster manager Sean Annetts' assessment of Saturday's opponents Ilminster Town Reserves.

Beaminster carried a slender 1-0 lead into the break after Blues' keeper Adam Berry allowed Ben Ward's scuffed effort to somehow slip through his grasp. "It was certainly a bit of a fluke" said Annett.

But the Rainbows' six game winning streak was ended by a spectacular bicycle kick from Mike Whitefield 15 minutes from time.

It could have got worse for Beaminster when Liam Annetts was penalized by referee Simon Salter for a foul late on. "It

was a really harsh decision – Liam was shielding the ball in a fashion you see week in week out" said Annetts.

As it was Adam Herring pulled off a fine save to keep the spot-kick out and Beaminster had their point. Top performer for the visitors was midfielder Richie Middleton.

### LYME REGIS 5 W & M CHINNOCK 1

WITH Beaminster being held at Ilminster Lyme Regis' 5-1 win over West & Middle Chinnock at the Davey Fort saw them extend their lead at the top of the table to four points.

The Seasiders could, and should have had the game won inside the opening 20 minutes as a host of clear-cut chances came and went.

There was also a shaky five or six minute period when the visitors, struggling at the bottom of the table, managed to have the normally solid Lyne back line looking decidedly shakey.

But order was restored in the 13th minute when Joe Bond scrambled home his 10th goal of the season from all of a yard out after Adam Caddy's long throw-in had been flicked on.

Soon after Will Meech, standing-in for the injured Ashley Caddy, went full length to keep out a decent Damon Hallatt long-range shot.

But a minute later the Seasiders were 2-0 clear Chinnocks' veteran midfielder Phil Hooper was guilty of a needless foul on the Mark Bailey and was booked for his protests. Bailey, who put in another assured midfield performance, slotted the ball past keeper Matt Alford.

The result was confirmed in the 36th minute when Steve Baileya leapt to flick in point Bailey cross.

The teams emerged for the second 45 with Lyne probably still wondering how they hadn't netted seven or eight. And it was something of a surprise when Russell Lock, who had a fine game in the overrun Chinnocks' midfield, cut in from the left-wing before unleashing a 25-yarder that arrowed into the top corner.

But the lead was restored on the hour when Dom Rowe, recovering from a shoulder injury and on as a half-time substitute, drilled a low cross-cum-shot that found its way through to Julian Simier who guided the ball home.

The scoring was rounded off right on

the final whistle when Batey headed home Joel Gostling's inviting cross.

### SOUTH PETHERTON 3 WINSHAM UTD 3

BOTH sides ended the game with 10 men in a feisty affair as South Petherton's alarming decline continued at Lightgate Lane. Pethy's Danny Rendall (50 minutes) and Winsham's Tom Symes (75 minutes) both received their marching orders from referee Simon White after receiving two bookings apiece.

The hosts, desperately trying to kick-start their stuttering season, took an early lead through Lee Peaty but this was leveled out by a Tom Symes penalty.

Matt Corrick edged Pethy back ahead only for Joe Simmons to net Winsham's second.

Jason Behan looked to have secured only a second win of the season for the reigning Champs only for Tom Stead to slot in a controversial third equaliser that clearly upset Pethy manager Gordon Childs, who said: "The third goal was a disgrace. Steve Bowker was shielding the ball back to our keeper Lee Holt when the Winsham striker pushed them into each other."

"Both were injured – but the ref decided there was no foul. Steve, who has played at a higher level couldn't believe the goal was allowed to stand, and just walked off. He needed seven stitches in a lip injury on Saturday evening.

"I think the referee, who's normally one of our better ones, was swayed by the fact that he was being watched by an assessor" said Childs.

## DIVISION ONE

### BARRINGTON 0 LYME REGIS RESERVES 2

LYME Regis Reserves clocked up their second clean sheet in a row and first away from home in 18 months as they beat Barrington 2-0 at Shelway Lane.

The match was a personal triumph for 19-year-old striker Ryan Fifer who struck five minutes into, and from the end of, the first half to take his tally to four in two games.

The Seasiders missed the opportunity to extend their lead after the restart when Orrin Newbury was bundled over in the box. Up stepped substitute Danny Thrivill looking to extend his run of nine successful spot-kicks but his effort was well saved by home glove-man Dan Caines who had a fine game.

Keeper Jedd Whittington made a couple of impressive saves, but it was Nick Phillips who just edged the MoM award in a fine all-round Lyne display.

## DIVISION TWO

### CREWKERNE RANGERS 1 UPLYME 3

UPLYME surged back up to second in the finely balanced Division Two table with a 3-1 win over Crewkerne Rangers who are sinking fast and are clearly missing their talisman Simon Denslow who has left to try his hand in the Combe first team.

Rangers took advantage early on when Uplyme's keeper Lloyd Cleal split a cross and that's how it stayed until the interval with the visitors looking decidedly lack-lustre.

The second-half was a different story. Gavin Fowler equalised three minutes after the restart and Adam Neale struck a post soon after.

But Neale didn't have long to wait for his 10th goal of the season as he bagged the Swallows' second in the 55th minute.

The three points were sealed by Fowler who also moved into double figures for the season with number three five minutes from time.

Uplyme manager Rob Coombes felt his whole side put in a good shift but had a mention for Adrian Strawbridge who dropped back into an unfamiliar defensive role – and all the while with wife Shelley due to give birth to their third child!

## DIVISION THREE

### SHEPTON BEAUCHAMP RES 0 WAYTOWN HOUNDS 1

THIS was a frustrating game for the Hounds, who seemed in control, but things didn't go

**BATTING:** Midfielder Pete Morton's performance was the highlight of another heavy defeat for Uplyme Res.

**MATCH WINNER:** Ryan Fifer scored both goals in Lyme Regis Reserves' 2-0 win at Barrington.

**WORTH A POINT:** Beaminster's keeper Adam Herring's late penalty save earned his side a point at Ilminster Res.

## Indoor champs next for Blake

DORCHESTER athlete Paul Blake continues his training towards competing in next summer's 2012 Paralympic Games by taking part in the Birmingham Indoor Grand Prix in February against some of the top able bodied athletes in the country.

Blake the T36 400m world champion and T36 800m world record holder has now switched to winter training at Bath University where he is coached by Rob Elchuk.

This involves training over longer distances than his maximum race length of 1500m.

"Training's going well and I am getting a lot stronger in my legs and body as a result," said Blake who will switch back to short distance training in the New Year in preparation for the indoor championships where he will compete in the 200m and 400m races.

"It is mainly for able bodied runners, but top listed disabled athletes can apply to run in the event. It will be my hardest competition ever but will be an amazing experience to run against some of the top runners in the country," he added.

Later in the summer Blake will run in IPC European Athletics Championships to be held in Stadskanaal in Holland from June 24 until 27 before final preparation for the London Olympics at the end of August.

## Young sailors race to Dorset

AROUND 300 young people will set sail for the Weymouth and Portland National Sailing Academy (WPNSA) next June in a race involving a large fleet of Sail Training vessels.

Crews from Dorset and London will race from the West India Docks in 25 vessels ranging from 100 year old pilot cutters to modern ocean racing yacht as part of the London to Portland Small Ships Race.

The charities running the vessels use Sail Training to provide life changing opportunities for young and disabled people from across the UK, and each boat will be crewed by young people from 12 years upwards.

Weymouth and Portland National Sailing Academy (WPNSA) is working together with the Association of Sail Training Organisations (ASTO) to organise this spectacular youth event.

The race will be followed by another within Weymouth Bay which will be started by HM The Queen's representative in Dorset, the Lord Lieutenant, Val Pitt-Rivers followed with a prize-giving at the acad-

emy in the evening.

John Tweed, Chief Executive at the Weymouth and Portland National Sailing Academy, commented, "This is a first class opportunity to link young people from Dorset with London in such a positive youth adventure. The sailing will be just a small part of the overall experience; the young people involved will also gain valuable life-skills to benefit them for a long time afterwards. It's a very exciting project and one we're very pleased to be on board with."

The event has been strongly supported not only by the Sailing Academy working closely with ASTO; we have also received enormous help from Portland Marina and Portland Harbour Authority."

There are 60 places available for young people from Dorset to take part in this adventure. Schools are being contacted about this opportunity, but anyone interested in taking part should contact ASTO on 02392 503 222. To find out more about Sail Training, take a look at [www.ksailtraining.org](http://www.ksailtraining.org).

**BRIDPORT INDOOR BOWLS NEWS**  
with Brian Baker.

MARTIN Wilton, Keith Brookes and Brian Rumble picked up two points for the (A) team against Dolphin (Poole) in the Purbeck Trophy League with a 14-9 win. Mike Smith, Bob Taylor and Ivor Parker were 9-6 up but slumped to a 12-22 defeat.

Dave Roberts, Peter Scott and Brian Conisbee had a fine 16-8 win for the (B) team at Moonfleet and with Bernard Winton, Paul Tibble and David Eastman only losing 13-15.

Bridport picked up the four extra points for an overall win.

Bridport travelled to Dorchester to play

the South Dorset Bowls Association side and went down 92-56 overall.

Scores: Penny Pither, Brian Parker, Phil Hedges, Brian Baker 14-19. David Aylott, John Groves, Gill Hunt, Brian Pratt 19-26. Mike Fletcher, Bernard Waterman, Bernie Andrews, Thelma Pratt 11-22. Gordon Lee, Robin Pither, David Cook, Peter Hunt 12-25.

Steve Way picked up the Summer Singles Trophy at the Club's Presentation Evening after a thrilling finish saw him pip Ann Turtell 21-20.

Meanwhile, Brian Rumble and Ivor Parker enjoyed a runaway win over Kevin Esworth and Ken Enticott in the Pairs Final.

## Walden narrowly misses out on title

DORCHESTER Amateur Boxing Club's Travis Waldren narrowly missed out on the area title in his fight with Stuart Thomas at the Blandford Boxing Spectacular recently.

After three gruelling rounds Thomas was awarded the bruising bout by a narrow points victory.

Waldren started well and was able to dictate the early pace with ramrod jabs and catching his opponent with both orthodox and southpaw blows.

However whilst taking several body blows that visibly hurt him, Thomas rallied and with a strong finish tipped the verdict his way.

Jamie Gosney was pitted against Daniel Thorpe from Eastleigh and started fresher, scoring with the cleaner punches and finishing the first round with two thumping jabs.

Thorpe continued however drawing Gosney into proper scrap, and his sheer strength and willpower culminating in a flurry of punches in the last 20 seconds caught the judge's eye and he received the winning verdict. A return bout has been requested by Gosney and accepted at a date to be arranged.

Kieron 'King' Clewett was matched against Jack Blank from Bournemouth, and landed some crisp jabs in the opening exchanges, whilst working on the challenger's body well.

Clewett caught Blank with a mighty left hook in the second forcing the East Dorset boxer into trading punches, before both boxers produced an excellent third round with both landing some good shots.

Anyone interested in joining the club should contact chairman Steve Scott on 01305 266807.

■ OPPORTUNITY OF A LIFETIME:

against Jack Blank

However Clewett upped the pace again and was able to come away the clear winner.

Andrius 'Club Star' took too long to get his punches off in the first round of his fight against Tommy Hawes from Sturminster Marshall, but recovered in the second and held his own drilling home some crashing blows; his workrate and aggression giving him the edge.

Andrius shrewdly avenged his early demise with a combination powering forwards, but with little effect against the more experienced and heavier Hawes.

A great bout followed with both boxers rising to the occasion, with Andrius on his debut, drawing sustained applause from a satisfied crowd for his bravery and recovery at the end.

Steve Scott, Ben Geyser and Jonjo Look agreed that all four boxers handled their step up in class well, and took the extra mile in their stride.

## Hugh shows the juniors how it's done

THE EVER popular Juniors v Parents competition at West Bay Sea angling club was a victory once again for the parents following Mike Preston's victory last year.

The competition took place on the East Pier at West Bay last Saturday and attracted a record turnout of 43 competitors which consisted of 17 juniors and 26 seniors which this year was won by Hugh Rathbone.

The competition is open to all members, ex-juniors, friends and relatives, and although there was a chilly north wind blowing, the day remained dry with a

calm but coloured sea.

Species caught were predominantly pouting and rockling with pollack, flounder, wrasse, blennies, whiting, sea scorpion, sand smelt and sprat also showing. All fish were returned.

Competitors fished from 12 noon until 3pm followed by a delicious buffet and presentation back in the warmth of the Salthouse.

Twenty six managed to weigh in, with senior member Hugh Rathbone coming out on top with 269g legal weight (466g total).

Junior member Connor Hallett was second, with 204g legal weight (473g total) followed closely by his father, Mike Hallett with 188g legal weight (266g total) for third place. The Wooden Spoon Trophy was won by Lynda Craven.

If anyone is interested in joining West Bay Sea Angling Club then now is a good time to do so as any new members joining at this time will receive membership for 2012 as well.

For more information please see the website or enquire at the Angling Centre, West Bay.

## RUGBY ROUND-UP

with Keith Jenkin

# Bridport through to last eight

THE leagues took a rest on Saturday last and all the Dorchester sides, together the Weymouth second and third sides, were without fixtures. Puddletown too had a blank date. I took myself off to Bridport to take in their cup encounter with Lymington Minster from the Hampshire league.

**BRIDPORT 41 LYNTON MINSTER 7**

THERE was a sneaky breeze blowing diagonally across the ground for this cup encounter, and the home side faced it initially. They did receive a fillip immediately however, for the referee pulled the visitors' drop out back, as one of their number had strayed in front, and called a scrum on halfway.

In fact the home back division certainly held the upper hand early on, making good ground whenever they spread the ball wide. They got an early reward too when, before the game was 10 minutes old, out-half King spotted a gap and ran to the posts from the visitors' twenty two. He converted his own try and Bridport led 7-0.

Lymington Minster did have a couple of chances to get a score back early on. They kicked a penalty award to the corner but could not capitalise. They won another subsequently but their place kick went wide. I thought that the home back division continued to hold the upper hand and it scored a second try after 20 minutes' play when centre Smith showed good pace and strength to get over halfway out from the twenty two. King again added the extras.

Although now 14-0 down, the visitors were encouraged when they almost pushed the home eight off their own ball at a set scrum in their twenty two, only for the possession to be tidied and the ball run upfield by the Bridport backs.

A home penalty goal, again kicked by King, followed and, just before the break, Bridport turned over possession in their twenty two, made good ground before finally being checked illegally well inside their opponents' half. The quick tap followed and number eight Pibworth got over halfway out. King was having a good day with the boot and he duly added the extras to give his side a 24-0 interval lead.

At this juncture I feared for Lymington Minster for, while their forwards were competing, they were exhibiting some defensive frailties in their threequarter line. Bridport were good value for their half-time lead and, as they would have the breeze at their backs in the second period, I felt that the floodgates might just open.

Bridport duly extended their lead just after the break. King took rucked ball and created an overlap on the narrow side, putting his winger away. He was tap tackled just short, but made the ball available and Leins got over five yards in from touch. The out-half judged the wind to a nicely to take his

side 31-0 ahead.

The visitors' defence was conceding penalties now and the game was deteriorating generally and, on the hour, Edwards, together with a visiting flanker were sent to the bin for handbagging. In his absence the visitors, who had never given up, took full advantage and scored a converted try through their pack and, in fact had the better of the next few minutes.

They could not score again and, with some ten minutes left King kicked a long range penalty from halfway. Another Bridport try came at the last. A rather speculative chip by King fell into space.

The cover defender tried to fly kick, missed and Leins was up to gather and touch down. King made it seven successful place kicks from seven attempts and took his personal points tally beyond the twenty mark by kicking the conversion. Bridport were through to the quarter-finals of the competition, and were moreover, good value for the win.

◆ Bridport travel to Supermarine of Swindon in the next round; to be played on November 26th.

**BRIDPORT 2nd 28 CREWKERNE 7**

IN fact last Saturday was a pretty good day for the Bridport club overall. It's second side took on Crewkerne in a friendly game and came out on top with some comfort.

It has to be said that the visitors were not at full strength as several of their players were attending a wedding. Nevertheless this win over a side who are doing well in the Somerset second division will be a further boost to their confidence.

**WARMINSTER 10 WEYMOUTH 37**

ALTHOUGH starting slowly, it was Weymouth who took the lead after 15 minutes' play when out-half Sheppard kicked a penalty goal. They continued to hold the upper hand subsequently and, on the half hour, increased their lead with a try by flanker, Sewell.

The home side then got a score back via the boot after Weymouth had infringed, only for Sheppard to reply in kind for the visitors.

A converted try, touched down by Will Quick, after he was well up to gather and run in an adroit grubber by Barter, and converted by Sheppard, really put daylight between the sides, only for Warminster to institute some pressure of their own before the break and to bring themselves back into the contest by scoring a converted try, thus taking the scoreline to 10-18.

Although their effort was set back by the loss of Leeson to an injury early in the second-half, Weymouth began to dominate. Substitute McCorniche drove through the centre to

touch down the try that Sheppard converted, and then Gibson, now playing in the pack, got over from close range.

His try remained unconverted but Weymouth were now well clear and, with a few minutes left, Sam Morris crashed over from a lineout close to the home line. Sheppard's conversion kick was again accurate and Weymouth's name will go forward into the quarter final draw.

◆ Weymouth now travel to Westbury in the next round, to be played on November 26th.

**PREVIEW**

THE leagues resume with a full programme of matches on Saturday next. BRIDPORT, although they are having a better season than many expected, have a bit of a tester in prospect when they visit SWANAGE & WAREHAM 2nd, for their opponents have enjoyed a pretty good start to the season themselves, and were in fact, top of the Dorset & Wilts league Division One (South), before being replaced by Weymouth last time out.

I think a win might just be beyond the Brewery Field side but a losing bonus point is certainly on the cards. In fact I feel that Bridport will have a far better idea of just how well their season will progress by five pm on Saturday.

WEYMOUTH, top of the heap as they are at the moment, should retain that spot after their visit to WESTBURY in what will be a dress rehearsal for the cup encounter between the sides in a fortnight.

While their opponents lie in the division's third place currently, they have, in the main, played several of the lesser sides thus far. Westbury do have a useful eight however and will certainly compete, but I would predict an away win by some twenty points.

DORCHESTER tackle DEVIZES at home and will certainly have their hands full. Their opponents have an almost identical record to their hosts so far this season and lie a couple of places above them in the league.

Dorchester are going through an aggravating patch where they are not scoring points during those periods of a game when they are in charge and regret that fact at the whistle for no side. This one is, to my mind, too close to call. Let's hope home advantage will count.

PUDLETON TOO have a home game to mark the occasion of their old players and vice presidents' lunch (ring Ray Stephens on 07966412467 if you want to attend) and it is a tough one. Their opponents WIMBORNE 2nd have been scoring tries in profusion so far this season. (I see that they bested Poole by over thirty points just a couple of weeks ago.) Puddleton do give the impression that they are improving

week by week however, but they will have to raise their game a notch or two if they are to win this one.

As to the second sides, Weymouth seconds should maintain their winning run when they entertain the Wheatsheaf Cabin Crew, while Bridport seconds should have too much for Verwood, who have yet to win in the league this season.

Dorchester seconds should win at Lytchett Minster seconds after a close game, while Dorchester thirds face North Dorset thirds at home. Weymouth thirds will, I think, travel with confidence to Wimborne thirds.

◆ **ON A LIGHTER NOTE:** Some two weeks ago, and buoyed up by their win, several members of the Honiton third XV continued their celebrations into the evening, making a visit to a local hostelry.

After some time their attention was drawn, by the landlord, to his closed circuit television monitor. It showed a view of the yard at the rear of the premises where a couple were demonstrating their eternal love and affection to the ultimate degree.

At this point all other activities in the pub ceased. The darts and cribbage were abandoned, and even the shove halftown board was deserted pro tempore as the clientele gathered, with spectacles changing hands at something of a premium, to view the more athletic and spontaneous entertainment on offer, via the small screen.

All things come to an end however, and this was no different. The participants, blissfully unaware that their personal and private frolicking was now in the public domain, then entered the establishment where, to their surprise and bewilderment, they were greeted with a generous round of applause, and a call for three hearty cheers.

They were subsequently appraised as to the reasons for their sudden popularity, whereupon their bewilderment turned quickly into embarrassment, and they left the premises with alacrity. I'll bet that the CCTV installer's sales team never thought of selling this particular benefit to its customers!

**Fixtures 12th November:** Bridport v Swanage & Wareham 2nd (away); Bridport 2nd v Verwood; Chard v Hornets; Chard 2nd v Ivel 2nd (away); Chard 3rd v Wyvern; Crewkerne 2nd v 3rd; Dorchester v Devizes; Dorchester 2nd v Lytchett Minster 2nd (away); Dorchester 3rd v North Dorset 4th; Honiton v Pirates Amateurs; Honiton 2nd v Tiverton 3rd (away); Puddleton v Wimborne 2nd; Sidmouth v Brixham (away); Sidmouth 2nd v Brixham 2nd; Sidmouth 3rd v Brixham 3rd (away); Weymouth v Westbury (away); Weymouth 2nd v Wheatsheaf Cabin Crew; Weymouth 3rd v Wimborne 3rd (away).

## Bridport youth football

FOUR of Bridport's youth teams have progressed to the latter stages of the Dorset Youth Cup with impressive victories this Sunday.

The Under 10s had a superb 7-1 victory at home to Weymouth Cougars. Ryan Leader and Manny Cox controlled the midfield and Bridport were disciplined with Finlay Davy, Oscar Tomkins and Isaac House strong at the back. Although they did fall a goal behind they pushed on for the victory with two goals each from Cox and Morgan Napier and one each for Cole Lydon, Elliot Crabb and Davy.

The Under 11s travelled to Lytchett Red Triangle from Division 2 in the same competition and booked a spot in the Quarter Finals with a 4-0 victory. Bridport dominated in the first half down the slope for a 2-0 half-time lead and had to resist a Lytchett onslaught after the interval, but wrapped the game up with two goals on the break. Jaydon Brown scored a brace with James Cox and Callum Tuck also netting. Goalkeeper Jordan Knottley was man of the match for a string of quality saves in the second half.

Bridport Under 10 Jets bowed out of the competition with a narrow 1-2 loss at home to AFC Chesil. Ollie Hoole scored Bridport's goal. The home team had lots of chances to equalise and were unlucky to go out to a goal conceded in extra-time. Lewis Keenan had a good game in defence and Henry Wyllill was good in goal. It was a great performance from Bridport who were just unable to convert their chances.

The Under 12s continued a fine run of form with a comfortable 6-1 victory away at Dorchester Town.

Bridport Under 13 Bees are also through with a fine 4-1 victory at home to Weymouth Youth.

Bridport Under 13 Wanderers came up against strong opposition and battled hard but eventually lost 1-8 away at Rossington Youth.

The under 14s and 15s have their cup games on Sunday November 13th.

**League games:** Bridports Under 9s were beaten 0-4 by a strong Weymouth Cougars team who were unbeaten at the top of the league.

Bridport started brightly but Josh Alner in the Bridport goal was the busier of the two keepers. Jay Pattinson Smith hit the crossbar and Bridport were still in it at half-time tied at 0-0. The Cougars moved up a gear in the second-half and the pressure finally told with four second-half goals. Alner took the MOM award for keeping the score down with some impressive goalkeeping.

The Under 15s met Broadstone FC Colts and lost 3-2 away, and have to meet the same opposition in the cup next week.

The Under 16s battled for a hard earned 2-2 draw at home to Bournemouth Sports.

## BOB BUCKER RACING

BY STUART BROOM

# Baron Sutton blow for Buckler

BOB BUCKLER was looking forward to the debut of **BARON SUTTON** ay Wincanton on Saturday in the toteswinger Intermediate Open NH Flat Race.

However the four-year-old grey who had been working well at home, dropped back six furlongs from home to finish at the back of the field having been midfield for most of the race.

Further examination shows that he has strained a tendon and means he will almost certainly not run again this season.

"It's a shame as he is a nice horse. He is having an x-ray later today (Tuesday) to check how serious it is, but it means he probably won't run again this season."

There was also disappointment in **SAINT PERAY**'s running in the 2m 7f Betfred Mobile Handicap Hurdle at Exeter, although this could be down to a cut he sustained on his leg during the race.

"I expected him to go close so it was disappointing," said Buckler after the horse had been prominent for two miles before fading under pressure.

"He also banged the surface of a bone as well as the cut so it would have been quite painful and maybe the ground was a bit softer than he might have liked."

With the ground now having softened the races are becoming more

competitive as trainers bring out their winter horses.

However **CHAMPAGNE ROSIE** did reasonably well in her first race of the year and her debut over hurdles in the 2m 1f Betfred 1350 Shops Nationwide Novices' Hurdle on the same card.

"After a couple of sketchy jumps she settles down to jump well and chased the leaders until she tired after the third last."

"She will come on for the run and be fitter. She will want further as she likes to keep galloping."

**SMALL FLY** also ran an encouraging race in the 2 1/2 mile Spiffing Crabbie's Alcoholic Ginger Beer Maiden Hurdle at Cheltenham.

"I was happy with his run and he now has a handicap although at 103 I think it is quite high. It was very heavy ground but he kept going and was well clear of the rest of the field in finishing seventh."

**MALIN HEAD** will be looking to make his debut at Exeter today (Wednesday) where John's Gift appears to have a good chance in the Standish Family Anniversary Handicap Chase.

Stable favourites **THE SAWYER** and **DOUBLE DIZZY** are listed for Cheltenham on Friday.

The Sawyer is unlikely to run unless there is a lot of rain in the meantime, but Double Dizzy looks to go in the cross country race.

## First defeat

**YEOVIL & SHERBORNE 2nd 3 BEAMINSTER 0**

BEAMINSTER suffered their first defeat of the season when they went down 3-0 to Yeovil & Sherborne 2nds at the Gryphon School last Saturday.

Yeovil took the lead after 15 minutes and despite Julia May providing a number of opportunities, Beaminster were unable to convert them.

The hosts increased their lead early in the second-half from a solo run and then added a third from a short corner, although Danni Donovan went close to reducing the deficit on several occasions without success.

Sarah Davies and Ali White shared the Player-of-the-Match award.

The defeat means Beaminster slip from top to third in the Channel Division One league table with near rivals Swanage & Wareham and Gillingham both winning.

## FOOTBALL ROUND-UP

with Stuart Broom

# Magpies batter Terras into submission

**Dorset Senior Cup****WEYMOUTH 0 DORCHESTER TOWN 1 - ATT: 319**

DORCHESTER Town progressed to the quarter-finals in what was a disappointing match with Weymouth rarely troubling their neighbours.

Both sides, wary of important games at the weekend, fielded weakened sides, but on paper Dorchester looked much stronger with everyone of the Magpies starting 11 having played in a first team game this season.

The visitors produced a host of chances but only took advantage of one when Rico Wilson scored with just 13 minutes left.

Wilson almost scored in the first 10 minutes but Tom Manley blocked his first effort and the striker hit the crossbar with his follow up. Chris Flood then hit the foot of the post after tricking Jamie Frampton as Dorchester continued to dictate, before Manley denied Wilson once more.

Weymouth appeared to have nullified Dorchester's effort as the second half ticked away with only Gary Bowles really testing Manley with a header, until Wilson finally broke the deadlock. Jamie Symes picked up a loose ball and fed Flood on the left who took the ball to the byeline before crossing low across the goal for Wilson to prod home.

Almost immediately Adam Mekki hit the woodwork before Wilson fired over from close in as the Magpies eased home to victory.

**Bees no match for Sherborne****BRIDPORT 0 SHERBORNE TOWN 4 - ATT: 93**

AFTER a fighting comeback against Brislington three days earlier when the Bees recovered from a two goal deficit to snatch three valuable Toolstation Western League Premier Division points with a winner four minutes from time, Bridport fans were expecting their side to progress in this Dorset Senior Cup match against the side that currently prop up the division.

However they were in for a nasty shock as lack-lustre Bees side failed to impress and were given a lesson in taking goal opportunities.

Sherborne's Jamie Manley was soon in trouble with the referee and was booked for an ugly tackle in the opening five minutes. Then after Russell Legg had shot wide from 30 yards, Sherborne took the lead on 14 minutes when Nick Jacobs found Lewis Morgan on the right with a long diagonal pass, and his deep cross was met at the far post by Matt Morley with the perfect header.

Shane Evans might have equalised midway through the half after Chris Senior had found him with a low cross, but his sidefooted effort from 12 yards was blocked by a defender.

Within two minutes Sherborne had increased their lead when Morgan drilled a 20-yard free kick through the Bridport wall and past Jamie Fry.

Legg was then unlucky twice as first he stumbled having got the ball trapped under his feet, but recovered and an improvised prod of the ball just cleared the bar, before keeper Mike Kneish foiled him with a good save to palm the ball behind for a corner after he was put through. From Dan Wise's flag kick Joe Charles was unlucky as Kneish got across to save his effort low at the far post.

Sherborne were quick to hit on the counter and after a Bees attack broke down the North Dorset side broke away down the right for a third three minutes from the interval.

Morley skipped past Darren Lock on the right touchline before finding Harry Montacute completely unmarked in the middle who had the easy job of lobbing Fry as he rushed out to close him down.

Bridport came out after the break looking to get back in the game and Legg had a shot blocked after cutting inside, before A Wise snap shot from 35 yards flew just past the post.

However Sherborne made the game safe with a fourth on 57 minutes when a persistent Mark Lawrence chased Jacobs long ball. After getting a favourable bounce following Chris Clarke's challenge, he repeated the slice of luck as Fry came to smother, and the ball bounced off the substitute and into the net.

Bridport continued to be positive, and Fry made one great save from Montacute as they were caught on the counter, and they almost grabbed a consolation when Joe Charles' header from Darren Watts' free kick came back off the crossbar.

**Superb Magpies topple Stoke****DORCHESTER TOWN 2 BASINGSTOKE TOWN 1 - ATT: 491**

A SUPERB battling performance saw Dorchester Town end Basingstoke Town's unbeaten 14 match run at The Avenue last Saturday.

The win extended caretaker manager Phil Simkin's record in charge to three from three and meant Frank Gray's side tasted defeat for the first time for over two months.

Superb headers from Ben Dickenson in the first half and Neil Martin after the break saw the Magpies take a two goal lead, but Tim Sills reply just after the hour resulted in an pulsating end to the match.

Simkin started with the same team that began the previous Blue Square South league against Tonbridge with the exception of Adam Meekin who has returned to Aldershot after his month's loan, who was replaced by Neil Martin, with Ryan Moss and Ben Dickenson continuing their partnership up front.

The experienced and prolific Stoke striker Tim Sills had the first chance of the afternoon but his header from Nathan Smart's cross went just wide of the right hand post, but Dickenson showed him how to do it on 14 minutes with a beautifully executed header to give Dorchester the lead.

The former Christchurch player collected and then released the ball to Moss 25 yards from goal. Under pressure the ball ran beyond Moss to Martin supporting down the left wing, whose cross found Dickenson who directed the ball just inside Bayes left hand post with a classic header from 10 yards.

This gave the Magpies momentum and soon after Smart was forced to head Kyle Critchell searching cross behind for a corner, before Dickenson volleyed over from 20 yards after Moss had won a chase for Alan Walker-Harris' long kick out.

Smart was booked for a crude tackle on Martin on 26 minutes as Basingstoke tried to stem the tide, before Critchell played in Moss who held off Jay Gasson, but shot wide of the far post from an angle.

Whilst the visitors showed glimpses of the form that has seen them move into a play-off spot, Dorchester were not allowing them time on the ball, and the Magpies continued in the same vein after the interval.

Dickenson was put through by Martin's astute ball three minutes after the break, but Stoke keeper Ashley Bayes blocked his goalbound effort with his legs, and after David Pratt completely sliced his shot at the other end when well placed from Stuart Lake's pass, Dorchester increased their lead on 52 minutes.

Critchell's run down the right channel took him past Toby to the byeline, where he crossed to the far post for the inrushing Martin to thump a header back past Bayes into the opposite corner.

This forced Gray to bring on another striker in Delano Sam-Yorkie, and he was responsible for the cross from which the visitors pulled a goal back. His ball hit Lake on the foot and rolled nicely into Sills path to thump high across Walker-Harris into the top of the net from 8 yards.

This spurred Basingstoke into life and although Dickenson headed over from Moss' cross it was the visitors turn to turn the screw.

Walker-Harris who was presented with the October man-of-the-month award before the game, did well to get down at the post to save Sam-Yorkie's header from Matt Warner's cross before the ball was cleared. Then Critchell came to the Magpies rescue with a brilliant tackle on Warner who looked certain to score just six yards from goal.

It looked like only a matter of time before Basingstoke equalised and would have but for a fantastic save from Walker-Harris. Sam-Yorkie cut the ball back from the byeline once again to Wes Daly 20 yards out, whose thunderous shot looked destined for the top corner. Somehow however the

Magpies gloverman got across to turn the ball over the angle of the goalframe.

Dorchester survived the onslaught and the final 10 minutes were frantic as Dorchester countered with attacks of their own. Gradwell fired wide of the far post after Sills had chested the ball down before they appealed for a penalty after the ball hit Mark Jermyn high up on the ribs.

Then in the fourth minute of added time Nick Crittenden might have, and should have, put the result beyond doubt when a Dorchester breakaway saw them in a four on two situation, but the former Glover fired wide of the post as Bayes closed him down.

**Magpies run continues****CHELMSFORD CITY 0 DORCHESTER TOWN 0 - ATT: 813**

DORCHESTER Town's unbeaten run continued under caretaker manager Phil Simkin when they earned a valuable point at high flying Chelmsford City on Monday evening.

After ending Basingstoke Town's fourteen match unbeaten run on Saturday, Dorchester faced another side unbeaten in thirteen games less than 48 hours later, and they might well have snatched all three points but for a superb save by Clarets keeper Stuart Searle from Ben Dickenson in the dying minutes.

Under heavy pressure at the beginning of both halves, the Magpies defence once again stood firm and kept their shape enabling them to get themselves back in the game and create some half chances themselves.

Simkin said: "I'm tremendously proud of the lads. It was a terrific away performance; almost perfect."

With Dorchester having lost on their last three visits to Essex, the result can only further enhance the assistant manager's chances of elevation to the top job, for which chairman Shaun Hearn and his board will start considering applications for the vacant post this week.

**Beasley's late goal relief for Terras****THATCHAM TOWN 1 WEYMOUTH 1 - ATT: 249****FA TROPHY**

WEYMOUTH survived the proverbial banana skin when Jamie Beasley popped up in injury time to earn the Terras a second chance of progressing to a home tie against Blue Square South opponents Havant & Waterlooville in the FA Trophy.

Evo-Stik Division One S & W Thatcham Town, despite having been reduced to nine men for the final five minutes, looked to have claimed the scalp of their higher-league opponents as they defended a corner with less than a minute left on the clock.

However Beasley snuck in at the near post to head home Stephen Reed's corner leaving only enough time to respot the ball on the centre circle.

Weymouth had created a hatful of chances to have won this game handsomely, but some dogged defending saw them frustrated by going behind to a goal that some of the visiting players claim did not cross the line.

The Kingfishers keeper Paul Strudley was the busiest player on the pitch, and he was tested early by Warren Byerley, but against the run of play they took the lead on 19 minutes when Sam Tucker's shot from 25 yards came down off the underside of the bar. Tom Manley under pressure punched Marc Green's left wing cross away.

The ball fell to Tucker whose side footed volley struck the underside of the bar, bounced down and up to hit the bar again. The ball then bounced back into play where Manley fell on it but the referee and his assistant decided the ball had gone over the line and awarded a goal.

Weymouth hit back and Byerley had a shot deflected for a corner after which Strudley saved well from Beasley.

Scott Rees shot wide for Thatcham at the start of the second half with only Manley to beat, before Strudley was thankful to Sam Flegg for hacking Sam Poole's effort off the line. Byerley fired over before Tucker was shown a red card midway through the half for a two-footed tackle on Ben Gerring.

Despite the man short Thatcham looked to counter attack and Rees set up Green, but Manley was equal to his shot.

In a frantic finish skipper Gareth Thomas became the second home player to be red carded for a foul on Sam Malsom with five minutes left, and it looked like they had managed to hang on until Beasley popped up.

**◆ Magpies and Terras land Trophy home ties**

BOTH Dorchester Town and Weymouth have been handed home ties in the third qualifying round of the FA Trophy due to be played on November 26th.

The Magpies will play Evo-Stik League Southern Division One South & West side Gosport Borough who currently languish below halfway.

Their main claim to fame is the recent signing of football pundit and former Weymouth manager Steve Claridge who scored in The Boro's 4-0 win over Godalming Town on Saturday which earned them their place.

Weymouth however has tougher opposition in Blue Square South's Havant & Waterlooville, providing they can dispose of Thatcham Town in the replay.

**Bees get Bitton by goal spree****BITTON 6 BRIDPORT 1 - ATT: 108**

DESPITE the scoreline, this match was much closer than it first appears.

Bridport had taken a first minute lead which had been cancelled out midway through the half, and the sides went in at the interval all square.

Although Bitton scored twice early after the break, Bridport were unlucky not to have broken back before they conceded a fourth which appeared well offside.

Kicking up the slight slope, Joe Charles gave the Bees the perfect start when he headed home Dan Wise's cross in the first minute.

Mitch Tippins equalised on 25 minutes when Bridport failed to clear their lines properly and his shot took a slight deflection on its way past Sam Filkins.

Although Sam Charles went close and Chris Senior's shot went just the wrong side of the post, the first-half finished even.

Despite the advantage of the slope in the second-half it was Bitton who went ahead early on with a brace from George Lloyd, but Bridport hit back and Joe Charles was denied twice within 30 seconds.

Firstly home keeper Sam Alexander produced a super save to turn his shot over the bar for a corner from which Charles struck the crossbar with a header.

Tom Richardson then had a shot kicked off the line and just after delayed his shot from close in that allowed a defender to clear.

He looked like a matter of time before Bridport got back in the game, but then they lost the ball in midfield and Brendon Barnes who looked well offside broke away to score the fourth which left the Bees with too much to do.

Bridport continued to try and break back and were caught again with a rare goal from defender Jason Llama, before they were reduced to 10 men ten minutes from the end when Russell Legg was dismissed for a second yellow card.

The rout was competed with the goal of the game. It appeared that the ball had been played behind Rob Smart when it was cut back from the byeline, but he adjusted his run and took two steps back before volleying the ball almost from behind himself and drill it wide of Filkins.

**Bees find their shooting boots****BRIDPORT RESERVES 7 SHAFTESBURY 2**

ANYONE who arrived late for this match would have missed most of the goal action as Bridport raced into a 4-1 lead inside the first 15 minutes.

Joint manager Steve Crab has been ruing missed goal opportunities in previous matches and admitted his side could have had more than the seven they did.

"We still missed a few chances, but we played well again and passed the ball well."

Robin Jones opened the scoring in the first minute when a defensive mix which resulted in the visiting keeper kicking the ball against Jones' legs and rebounding into goal.

A minute later it was Bridport's turn to be generous as they failed to deal with a throw-in from which Shaftesbury equalised.

The Bees responded immediately and Jones scored a second before Ben Clarke increased the lead from the penalty spot after Carl Bulman, who was outstanding in the first-half, had been brought down.

Paul Fellows then got in on the act on 15 minutes when he followed up to score after Ben Clarke's shot had come back off the crossbar.

In an action packed first-half Jones completed his hat-trick when he volleyed home from eight yards following good work down the left and a cross from Michael Hailu, but Bridport once again fell asleep from throw-in from which Shaftesbury capitalised to make it 5-2 at the break.

Star man Fellows, along with Carl Bulman, added his second through a header from Adam Steele's cross before Tristan Gale completed the scoring late on in what was an easy victory for the Bees.

Lee Cleal scored a last minute equaliser for Bridport Thirds in their 2-2 draw at Dorchester Sports in Dorset League Division Two. Chris Symes was the Bees other goalscorer.

◆ Blue Square support for Magpies community project DORCHESTER Town FC have been involved in developing football in the community for a number of years now, and on Saturday they received a cheque for £12,000 from The Football Conference Community Development Fund towards this project (see photograph left).

Funded by The Premier League, the money has created a new funding stream offering support to help grow community work, with each club able to apply for up to £15,000 per season as 50 per cent of the cost of a community project of their choice.

In 2010/11, the first season, 43 conference clubs received grants totalling £450,000.

Midfielder Jamie Gleeson is the Magpies current community officer and has been working on a project to develop football in the community in and around Dorchester working with children, the disabled, ladies and girls on a variety of programmes.

## INSIDE: Rowe sidelined for five weeks

# Seasiders sailing full sheets to the wind!

SEVEN days, six matches, six wins! - these are certainly heady days at Lyme Regis Football Club!

The first team, despite missing Ashley Caddy (cheekbone), Jason Hawker (rested) and only having influential defender Dom Rowe fit enough for a bench role, were far too powerful for relegation candidates West & Middle Chinnock and cruised to a 5-1 win, with Steve Batey netting two headers, at the Davey Fort.

The only downside was an ankle injury suffered by Rowe who was forced off just 20 minutes after coming on for Will Swales at the interval.

Defender Rowe has fractured a bone and is likely to be out for up to five weeks. Caddy will be out for a month. Both will obviously miss next weekend's Dorset Intermediate Cup last 16 tie at Corfe Castle.

Victory will see cup-holders Lyme face a quarter-final against the winner of the Ferndown derby between St Mary's RC and Ferndown Greenfields.

Lyme Regis Reserves' upturn in form

By Howard Larcombe

continued with a 2-0 win at Barrington's impressive Shelway Lane where Ryan Fifer scored twice.

The Ressies face a tough test at the weekend with the visit of league leaders Shepton Beauchamp.

But perhaps the most impressive of the trio of wins came at Jocelyn Park where Pete Peacock took his tally to 18 in just nine appearances with two in the Bantams 4-2 victory at league leaders Chard United Reserves.

Look out for more from Peacock on Saturday when the Bantams entertain bottom-of-the-league Chard Rangers Reserves.

Uplyme moved back up to second in Division two thanks to two goals from Gavin Fowler in a 3-1 win at Crewkerne Rangers.

The Swallows have no game on Saturday. This may allow the club's Reserve

team to field a stronger line-up when they entertain Chard United Reserves. The team could do with a bit of a boost after they were thrashed 10-0 on their own Venlake turf by Crewkerne Rangers Reserves.

Charmouth were another team on the wrong end of a hiding. The Robins' went down 7-1 at Division One side Beaminster Reserves in the Dorset Junior Cup. The team entertain Crewkerne Rangers at Barrs Lane on Saturday.

◆ Lyme Regis Under 12s recorded a Dorset Cup second round giant-killing as they thrashed Division One strugglers Canford Heathlands 9-3.

Cody Bowditch (4), Finlay Mclean (4) and Ben Prosser netted for the Seasiders who will entertain Division Two rivals Wareham Rangers in a last 16 tie on December 4th.

Meanwhile James Souter-Phillips, Brad Rowe and Declan Ellis were on the score sheet as the Under 14s scraped a last gasp 3-2 win against Blandford at the Davey Fort.

■ TOP TEAM: LYME Regis first team were presented with the *VIEW FROM NEWSPAPERS* 'Perry Street League Team of the Month' award for October after Saturday's 5-1 victory over West & Middle Chinnock on Saturday. The team, who were presented with the certificate by 529-goal Seasiders' legend Graham 'Percy' Vere (pictured above, centre), racked up five wins from five matches.
